MINUTES  
OCTOBER 18, 2017

Chairman Mike Martin, Commissioner Peter Gove and Superintendent David Tully met with Scott Cornett of Northpoint and Northpoint employees in addition to the site contractor at the proposed driveway site at 1010 Main St. Dunstable at 8 a.m.

The proposed new driveway layout was discussed. Scott will change the location of the driveway. The curb cut will remain the same but the grade will be lower in spots to improve over the previous design.

Every effort will be made to direct water off the sides of the driveway instead of down the hill to the street.

There will be spaced cobblestone on the sides.

Work from the street in about 50' won't be done until the spring.

All agreed on the new plans.

Respectfully submitted,

Peter Gove  
Road Commissioner
