

SAFE PATHWAYS COMMITTEE MEETING SEPTEMBER 09, 2015

The meeting was called to order at 7 PM by John Callahan.

Present: John Callahan, Dianna and Paul Dalida, Catherine and Bob Irzyk, Susan Psaledakis and Tracey Hutton.

The minutes of the previous meeting were read and accepted with minor corrections.

Catherine asked for a volunteer to assume the duties of recording secretary. Dianna accepted and was appointed by the committee.

Tracey was introduced to the committee members and gave us an overview of her background including experience with pathways.

Discussion was generated concerning the plans for the reconstruction of Main Street from the Sargent property to Crystal Farm. 3 proposed layouts were displayed with emphasis on Layout C as the preferred route. This route did not allow space for a pathway. John plans to attend the selectman Committee meeting on September 23rd to discuss the possibility of including a pathway when the road is rerouted. The feeling of the Pathways Committee is to provide a pathway from the center of town to the central cemetery.

Tracey will pursue the possibility of procuring federal funding monies via the Federal Transportation Enhancement Funding to assist the building of the pathway from High to Highland Street.

The meeting adjourned at 8 PM. Our next meeting is planned for October 14th, 2015 at 7 PM. At the Town Hall.
