The meeting was called to order at 7 PM by John Callahan.

The minutes of the previous meeting were read and accepted as is by Catherine Irzyk.

Tracey contacted Stamski and McNary to inquire if they had ever done a DOT project, their response was that they had not. The Engineer for the Main Street Reconstruction project was to walk Phase I of our projects to get a feel for what it entails. The Engineer did say the engineering on the plans that Stamski and McNary provided was tight. It was the paper work that Stamski and McNary were not familiar with. Tracey is to catch up with the Engineer the week after Thanksgiving. Tracey and the Engineers are to meet with DOT on Tuesday December 1, 2015

Important dates coming up are:

A meeting December 7, 2015 with the Finance Committee, Capital Planning, and Selectmen is to be held to decide the budget for next year. They will then give a budget number to Tracey.

With the holidays upon us the committee has agreed to wait until after the 1st of the year to meet again. A motion was made by Catherine Irzyk and seconded by Paul Dalida to adjourn the meeting at 8:00 PM
