

SAFE PATHWAYS COMMITTEE MEETING
APRIL 13, 2016

The meeting was called to order at 7:02 PM by John Callahan.

Members Present: John Callahan, Dianna and Paul Dalida, Catherine and Bob Irzyk, Sue Psaledakis

Also present were: Anne Fenochetti, Joan Simmons

After reading the minutes of the last meeting, a motion was made by Catherine Irzyk and seconded by John Callahan to accept the minutes with no corrections.

The committee reviewed Plan D of the Route 113 Project, with the conclusion that we had no objections to this plan. Joan Simmons voiced concern that the road would look wider and people would travel faster. She felt that it was a safety concern, and then she also said it would change the aesthetics of the road.

Tracey Hutton had the selectmen sign off on the complete streets initiative, which allows her to apply for grant money.

We do not have an article on the warrant at town meeting.

Sue Psaledakis made a motion that the committee accept Plan D and Catherine Irzyk seconded. The motion passed unanimously. She also made a suggestion that the Town ask what the minimum requirement would be from the state to satisfy its complete roads initiative.

Tracey would like a representative from Safe Pathways to join the Master Plan Committee. This has been tabled until the next meeting.

John adjourned the meeting at 8:20 PM seconded by Paul Dalida

Our next meeting will be Wednesday April 20, 2016 at 7:00 PM
