

DBMC meeting with DSAC 23April09
Notes

The Duxbury Shellfish Committee appeared before the Duxbury Bay Management Commission at 7:45 on 23April09 to discuss communications between the two committees.

Present from the DSAC were Chairman Al Hoban and Dan Baker.

The DBMC expressed concern that they were not informed of aquaculture grant applications in time to comment prior to a Selectmen's hearing on the matter. After some discussion it was agreed this should be corrected, and the best way was to have the Harbormaster provide copies of all aquiculture applications to the DBMC when he submits them to the DSAC. There was general agreement that this procedure should be reflected in the DSAC'S regulations. This would allow unhurried communications between committees during the 60 days, by law, existing between application and hearing.

As noted by
Dan Baker
