Also Present:

Meeting called to order by the Chair, Robert Fitzpatrick, at 7:42 pm.

The minutes of the meeting held on February 1, 2012, were reviewed and approved. The Committee deferred approval of the minutes from June 6, 2012, because not enough members were present at that time.

Bob Fitzpatrick noted that at the last meeting we discussed the working draft of the Committee's report. Bob handed out assignments and asked members to send along their comments. Freeman and George have yet to provide their comments. Bob will reach out to them to solicit their comments, and to make sure they are comfortable with the draft and the direction in which we are heading.

The plan is to polish the current draft of the report between now and the next meeting. Bob will focus on Sections Exhibit A and B, and consider in more detail the inserts that have been suggested. He will try to send another draft to Committee members one week before the next meeting. At that time we will all vote on the draft, or make final tweaks, and then we will reach out to the various committees for comments. We hope to schedule a meeting in mid-September to obtain comments on the draft from the public. And once we have obtained and considered the public comments the final step will be to approve the final report and present it to the Board of Selectmen.

Meeting adjourned @ 8:19 pm.

List of Documents and Other Exhibits Used at the Meeting: None.
