COMMUNICATIONS AND PETITIONS

Responses to Questions Asked of Administration – 63 Woodbridge Avenue

Chair Kehoe stated that the owner of the house at 63 Woodbridge Avenue is current on his property taxes and has secured the house so that there is no danger of collapse or

hazard to the surrounding properties. As such, the property is in compliance with the town's Property Maintenance Code.

Disposition of Town-owned Property Other Than Real Estate – Used Furniture

Chair Kehoe announced that, pursuant to §10-3(c) of the town's Code of Ordinances, the Administration is notifying the Town Council that old furniture from Raymond Library and other locations will be disposed of through public auction.

East Hartford Housing Authority (EHHA) Update

Deb Bouchard, Executive Director, announced that present in the Chamber were Robert Keating, Chair of the EHHA's Board of Commissioners, John Carella, member of the Board of Commissioners, and Kelly McDermott, Senior Manager of Planning and Modernization.

Ms. Bouchard reported that the U. S. Department of Housing and Urban Development (HUD) just recently acknowledged that the EHHA exited out of troubled status. She went on to summarize the accomplishments of EHHA: (1) the negotiation of the sale of King Court; (2) EHHA's new website; (3) a 20-year HUD rent subsidy contract for Veterans Terrace; (4) new policies and trained staff on various programs; (5) monitoring their budget more tightly; (6) reduced expenses through collective bargaining agreements on self-insuring dental coverage and healthcare programs.

Ms. Bouchard stated that the anticipated closing for the sale of King Court is early April 2014 with a selling price of \$3,200,000. The proceeds from the sale of King Court – after repayment of obligated funds – will be split between the State of Connecticut and the Town of East Hartford.

East Hartford Board of Education: Medical Analysis Presentation

Michael Walsh, Finance Director, summarized the reasons why this presentation is necessary – higher medical costs in the current fiscal year will extend into the upcoming budget year. Since the Medical Reserve is depleted, Mr. Walsh stated that more financial resources need to be embedded in the upcoming budget to more closely match the expected medical costs.

Arch Henderson, Todd Goodall, and Deb Testa, representatives from Lockton, the town's outside consultant for the town's and Board of Education's medical accounts, presented charts and graphs concerning the upswing in the medical claims experienced by both the town and the Board. Most of the increase is attributed to the rise of cancer cases and the prescription drugs to combat chronic illnesses like diabetes.

Re: Referral to Council – Authorizing Resolution
Grocery Delivery Grant (NCAAA)

The North Central Area Agency on Aging (NCAAA) is a regional agency which grants federal dollars to programs benefiting the older adult population. They have granted East Hartford various amounts for many senior citizen programs since 1992. This year we intend to apply for \$3,000 to continue funding the Grocery Delivery Program. The grant application deadline is March 14, 2014 for the program year which begins on October 1, 2014.

The Grocery Delivery Program has operated for the past nine years by providing homebound residents with grocery delivery service. Seniors pay for their groceries, and the grant funding pays for the cost of the delivery. Approximately 570 deliveries will be provided to East Hartford seniors if the full amount of our request is approved. Matching funds will be supported by Town of East Hartford Grocery Assistance account (S4923).

The attached Resolution will authorize you as Mayor to make application and execute all documents associated with this grant. I respectfully request that this resolution be included on the Town Council agenda for the March 4, 2014 meeting.

**Re: Outdoor Amusement Permit Application -
"2014 Masonicare Quality of Life Walk"**

Dear Chairman Kehoe:

Attached please find a copy of the amusement permit application submitted by **The Masonic Charity Foundation of Connecticut by its Director of Development, Patricia L. Morgan**. The applicant seeks to conduct a walk to promote health and wellness to be held in **Great River Park**. Information booths and food will be on hand as well as music provided by a disc jockey, on **Saturday, May 17, 2014** from approximately **8:30 AM – 12:30 PM** with music from **9 AM – 12 PM**.

The applicant respectfully **requests a waiver of the associated permit fee**, under the provisions of (TO) 5-6(a), due to the Town of East Hartford as this is an event sponsored by a charitable organization.

Pursuant to Town Ordinance (TO) 5-3, a review of the application was completed by the Directors of the Fire, Health, Parks & Recreation, Public Works Departments and the Offices of the Corporation Counsel and Finance.

The **Office of Corporation Counsel** states it has no issues with this application and that the applicant will need to provide the names of the Officers and Directors of the Foundation.

The **Health, Fire and Parks & Recreation Departments** approve the application as submitted.

The **Public Works Department** recommends the application be approved with the following conditions:

- The applicant shall coordinate the event with Riverfront Recapture.
- The Masonicare Quality of Life Walk route shall be contained entirely within Great River Park with no impact to East River Drive or other surrounding streets.
- The property owners at 300 East River Drive and 411 Founders Plaza shall be contacted prior to the use of their parking facilities.

The **Risk Management Department** states that Masonic Charity Foundation of Connecticut will need to provide a Certificate of Liability Insurance in the amount of one (1) million limits for general liability. They must also endorse the policy to add the MDC, Riverfront Recapture, the Town of East Hartford and its officials, employees

and volunteers as additional insured. The policy will need to be reviewed and approved prior to the event.

The **Police Department** conducted a review of the application and the following comments/recommendations are made:

- The Police Department can provide adequate police protection for the event. The site is suitable for the outdoor amusement, the expected crowds are of small to moderate size, and the area has sufficient parking available.

Respectfully submitted for your information.

Sincerely,

Hi Carol-we will need a certificate of liability insurance showing a 1 million dollar general liability insurance. The policy must be endorsed to name the Town of east Hartford, riverfront recapture and the MDDC as additional insured's. When an event is held at great river park, more entities then just the Town need to be named as an additional insured. Thanks and forward the certificate once it comes in.
