THIS AGREEMENT MADE AND ENTERED INTO by and between the EAST HARTFORD BOARD OF EDUCATION (hereinafter referred to as the "Board") and the EAST HARTFORD EDUCATION ASSOCIATION (hereinafter referred to as the "Association").

ARTICLE I GENERAL

1.1 This Agreement is negotiated under the law in order (a) to fix for its term the salaries and other conditions of effective and harmonious working relationships between the Board and the Association and the professional staff in order that the cause of public education may be best served in East Hartford.

1.2 To this end, the Board and the Association recognize the importance of orderly, just and expeditious resolution of issues which may arise as the result of those provisions of this Agreement dealing with salaries and conditions of employment, and accordingly agree herein upon a grievance procedure for the effective processing of such disputes.

1.3 The Board and the Association accept the provisions of this Agreement as commitments which they will cooperatively and in good faith honor, support and seek to fulfill and perform under governing law.

1.4 Subject to the provisions of the law the Board agrees not to negotiate with any teachers' organization other than the Association for the duration of this Agreement. Except for such negotiations, however, the Board shall be free to communicate with teachers or other representatives, or any other persons, individually or by group, for whatever purpose the Board may deem desirable in the discharge of its responsibilities.

1.5 Despite reference herein to the Board or the Association as such, each reserves the right to act hereunder by committee, individual member, or designated representative, professional or lay, whether or not a member. Each party will provide to the other, upon request, satisfactory evidence (such as official minutes or certificate of resolutions) of authority so to act.

1.6 It is recognized that the Board has and will continue to retain, whether exercised or not the sole and unquestioned right, responsibility and prerogative to direct the operation of the public schools in the Town of East Hartford in all its aspects, including but not limited to the following: To employ, assign, and transfer teachers; and those powers specified in Sections 10-220, 10-221 and 10-222 of the Connecticut General Statutes. These rights, responsibilities and prerogatives are not subject to delegation in whole or in part, except that the same shall not be exercised in a manner inconsistent with or in violation of any of the specific terms and provisions of this Agreement. No action taken by the Board with respect to such rights, responsibilities

and prerogatives, other than as there are specific provisions herein elsewhere contained, shall be subject to the grievance and arbitration provisions of this Agreement.

1.7 The parties recognize that the terms and conditions of employment for certain educational personnel, including Head Start and other early childhood education personnel, are governed in part by federal and/or state statutes and/or regulations. To the extent that any provision of this collective bargaining agreement is inconsistent with the provisions of any such applicable statute and/or regulation, the statute and/or regulation shall be controlling. As used in this Agreement, the term "early childhood education" shall mean pre-kindergarten programs.

ARTICLE II **RECOGNITION**

2.1 The Board recognizes the Association for the purpose of professional negotiation, as the exclusive representative of the entire teachers' unit consisting of all professional employees of the Board in positions requiring a teaching or special services certificate, other than substitutes, and excluding persons in the administrators' unit pursuant to and with all the rights and privileges as provided by law. As used in this Agreement, the term "teacher" shall refer to any and all employees whose positions are included in the teacher bargaining unit, as described in Section 2.1.

In accordance with the provisions of Public Act 03-174, employees working in a teaching position solely on the basis of a Durational Shortage Area Permit (DSAP) shall be included in the bargaining unit. Such individuals shall be covered by all terms and conditions of the collective bargaining agreement, except as follows:

- a) A DSAP holder shall not accrue seniority or length of service for any purpose of this Agreement. Notwithstanding the foregoing, if a DSAP holder becomes certified as a teacher and is retained continuously by the Board as a teacher after receiving such certification, with no break in service, then the individual shall be credited with seniority and length of service for all purposes under this Agreement, retroactive to the first date of employment by the Board.
- b) The Board shall have the right, in its sole discretion, not to renew and/or to terminate the employment of a DSAP holder, and the DSAP holder shall have no right to file and/or pursue a grievance under this Agreement with respect to such action.
- c) DSAP holders shall have no bumping rights or recall rights under this Agreement.

2.2 AGENCY FEE

A. All teachers employed by the Board shall, as a condition of continued employment, either join the Association or pay a service fee to the Association.

B. The Board agrees to deduct from each teacher for whom a written dues deduction authorization is submitted an amount equal to the Association membership dues, and to deduct from each teacher for which no such authorization is submitted a service fee, by means of payroll deductions. The amount of the deduction from each paycheck shall be equal to the total Association membership dues or service fee divided by the number of paychecks from and including the first paycheck during the school year through and including the last paycheck in June, with the exception of new hires. For any new hire, dues and/or service fee deductions shall commence as soon as practicable after each teacher begins work in the district. In the case of any such teacher who commences employment after the school year has begun, dues and/or service fee deductions shall be pro-rated, based on the number of months remaining in the school year. The amount of Association membership dues and service fee shall be certified by the Association to the Board prior to the opening of school each year.

C. Those teachers whose employment commences after the start of the school year shall pay a pro-rated amount equal to the percentage of the remaining school year.

D. The Board agrees to forward to the Association each month a check for the amount of money deducted during that month. The Board shall include with such check a list of teachers for whom such deductions were made.

E. The Association shall hold the Board harmless against any and all claims, demands, liabilities, lawsuits, attorneys' fees or other costs which may arise out of, or by reason of, actions taken against the Board as a result of the enforcement or administration of this article.

ARTICLE III **NEGOTIATION FOR SUCCESSOR AGREEMENT**

3.1 It is the obligation of the parties to meet in accordance with the provisions of Section 10-153d of the Connecticut General Statutes for the purpose of good faith bargaining with the object of entering into a renewal agreement.

ARTICLE IV
TEACHING HOURS AND TEACHER LOAD

4.1 WORK DAY

A. The Board and the Association recognize and agree the teachers' responsibility to students and the profession generally entails the performance of duties and the expenditure of time beyond the normal working day. Faculty meetings, in-service education sessions, curriculum work sessions and extra help periods shall be a normal part of the teacher's duties. It is recognized, however, that personnel are entitled to weekly schedules on which they can rely in the ordinary course and which should be fairly and evenly maintained throughout the school system, except in emergencies and instances of staffing problems, and without prejudice to voluntary service above and beyond contract requirements as aforesaid, the following schedules are hereby adopted:

B. Whether or not double sessions or similar type programs are instituted, the length of the regularly required work day shall be no more than a maximum of seven hours and twenty minutes of continuous time during which each teacher shall have a duty-free lunch. K-12 teachers shall not be required to report earlier than fifteen (15) minutes before the start of the student day and shall not be required to remain longer than thirty (30) minutes after the close of the student day. In the event of an emergency closing, K-12 teachers shall not be required to remain longer than 10 minutes after the students are dismissed, provided that there must be some teacher supervision in the building until all students have left the building. In the event of a late opening, K-12 teachers shall not be required to report earlier than fifteen (15) minutes before the start of the altered student day. The parties understand that the student day for early childhood education students is substantially different from the student day for K-12 students, and that the work schedules for certified teachers in the early childhood education area are also substantially different. Accordingly, the Board shall have the right to determine the specific work schedules for such early childhood education personnel, subject to the limitation set forth above regarding the overall length of the work day.

C. Certified personnel at the early childhood level, elementary level and high school level will be required to set aside one hour and thirty minutes beyond the end of the student day each Tuesday. Certified personnel at the middle school level will be required to set aside one hour and thirty minutes beyond the end of the student day each Wednesday, except that for one week out of each month, the Administration shall have the right to substitute Tuesday as the day for such obligations in lieu of Wednesday, for specials teachers and support services teachers (art, music, health and physical education, school psychologists, school social workers, speech language pathologists, ELL, bilingual, career and technical education, special education and guidance) at the middle school level. Such schedule for middle school level specials and support services teachers to meet on Tuesdays shall be determined annually no later than

the first day of the student school year. For all grade levels, the Administration may hold faculty or departmental meetings for up to sixty minutes of the time to be set aside in accordance with this section. The remaining time will be teacher directed for the purpose of data team meetings, data collection and similar activities, at the sole discretion of the teacher. No teacher, regardless of level, shall be required to attend more than one meeting per week. This provision shall not preclude the call of other meetings on other days by proper authorities, but such other meetings shall be held within the time limits prescribed by paragraph B.

D. In-service education sessions and curriculum work sessions may be scheduled on days when students spend less than a full day in school. Teachers shall not be required to attend such special programs later than 4:00 p.m. When such special programs are scheduled on a day when students are not in school, the work day limit specified in Section 4.1B shall apply.

E. Teachers shall be assigned in accordance with State Department of Education certification regulations.

F. With the aim of continuing to improve communication with parents and of utilizing fully the professional resources of the teaching profession, teachers will be required to attend the annual open house/parent night of their assigned building. Itinerant teachers will be required to attend the annual open house/parent night at the building which represents the major portion of their teaching assignments. In addition to the regular work day and the annual open house/parent night, teachers will be required to attend two (2) district sponsored and/or building-sponsored evening events and/or meetings per year. The choice of which events to attend shall be at the sole discretion of the teacher, unless the Administration schedules evening parent-teacher conferences, in which case an evening of parent-teacher conferences shall count as one of the required evening events. Activities for which the teacher is receiving a stipend shall not count toward such minimum requirements.

The parties recognize that early childhood education teachers are required to be available beyond the regular work day for family programs, home visits, conferences with students' families and similar activities, and that the scheduling of such activities must be determined at least in part by the availability and convenience of the students' families.

G. It is the mutual intent that the period of time designated in the Agreement as "preparation time" is reserved for teachers' use in the preparation of instruction. The Administration may designate up to two days per week of preparation time to be used for the purposes of individual teacher planning and/or for the purposes of common planning. Except in discernible emergencies, this time should not be used for other activities which do not have a direct bearing on the teacher's preparation for education instruction in his/her classroom. This includes infringement for PPT's. In addition, every reasonable effort should be made to schedule a preparation period on

each individual school day and avoid any "doubling-up" of two preparation periods on any one day. In unusual circumstances where the foregoing is unavoidable, repetition on a yearly basis should be avoided

4.2 WORK YEAR

A. The work year of teachers covered by the classroom teacher's salary schedule shall consist of not more than 185 days, including the day before the opening of school. There shall be a minimum of 180 student school days with the option of two additional student days, with no impact issues arising out of the Board increasing the number of student days to 182. Non student days, excluding the day before school, shall be set aside for professional purposes as specified in Section 4.1 D.

In addition to the work year set forth above, the work year for new teachers covered by the classroom teachers' salary schedule shall include two (2) required orientation sessions as scheduled by the Administration, with no additional compensation for such days. New teachers required to attend additional sessions, beyond the two days, shall be paid at the instructional rate as stated in Section 15.4 of the collective bargaining agreement.

B. The Board may elect to conduct a special program for teachers beginning no more than seven calendar days prior to the opening of school, but participation in such programs shall be voluntary, except as otherwise provided in this Agreement.

C. Notwithstanding the foregoing, the parties understand that the work year for certain early childhood education personnel will normally exceed the work year set forth above in Section 4.2A. The Board shall have the right to determine the work year for such early childhood education personnel. Publication of the following early childhood work year shall be no later than June 30th. To the extent that the Board designates a work year for such personnel in excess of the work year set forth in Section 4.2A, such additional work shall be compensated at the per diem rates for such employees. The per diem rates used for such compensation shall be based on the salaries in effect on the first day of school in the academic year in question.

D. The parties recognize the Board's unilateral right to alter the scheduling of the student day and or create new programs, including block scheduling. If the Board exercises such rights, the parties will bargain over any impact for which impact bargaining is required under C.G.S. 10-153f.

4.3 EXTRACURRICULAR ACTIVITIES

A. Assignments to extracurricular and cocurricular activities beyond the work day shall be voluntary. In the event that no volunteers are forthcoming for a given extracurricular or cocurricular activity for which there is a provision for payment

in the Differentials annexed to this Agreement, an employee may be appointed by the administrator, provided that no teacher may be required to accept such appointment in two successive years.

B. Assignments to extracurricular and cocurricular activities are for one school year only, and appointments to such assignments shall be made annually in writing.

4.4 ELEMENTARY SCHOOL SCHEDULE/SIXTH GRADE ACADEMY

A. Elementary school teachers shall have a continuous duty-free lunch period of thirty (30) minutes.

B. Elementary school teachers shall have, in addition to their lunch period, forty-five (45) minutes of preparation/conference time at least five times each week, during which they shall not be assigned to any other duties, except in emergencies. Such forty-five (45) minutes shall be in no more than two blocks of time, with a minimum of thirty (30) minutes in one such block. The other block of fifteen (15) minutes may be the portion of the lunch/recess period which exceeds the thirty (30) minutes prescribed in the preceding paragraph. If the fifteen (15) minute lunch extension is taken away on a day of inclement weather, then the teacher may leave fifteen (15) minutes before the end of the work day.

C. Elementary art, music, physical education, etc., teachers may not be assigned annually more than six (6) teaching periods per full or shortened day. If a special area teacher is assigned to teach both elementary school and middle school classes in the same day, such teacher shall not be assigned more than a combination of five (5) teaching periods on such days.

D. It is understood that duties to be performed within the elementary school are to be evenly distributed among the staff at each school. The involuntary assignment of more than one duty to any one teacher on any given day should not be made when there is another teacher on the staff with no duties assigned on that day.

4.5 MIDDLE SCHOOL SCHEDULE

A. Middle school teachers shall have a continuous duty-free lunch period of thirty (30) minutes.

B. Middle school teachers shall have, in addition to their lunch period, a preparation/conference period equivalent to a class period at least five times each week, during which they shall not be assigned to any other duties, except in emergencies.

C. In addition to homeroom or equivalent duty, academic subject area teachers in middle schools shall not be assigned annually more than five (5) teaching periods plus one (1) extra duty assignment per day. As used in this paragraph, the term "teaching period" shall include only classroom instructional groups. The term "extra duty assignment" shall include study halls, tutoring, resource centers, general supervision, directed activities, small group instruction, team conferences called by the Administration and other similar assignments.

D. Middle school academic subject area teachers shall not be required to prepare annually more than three academic subject areas. For the purposes of this Section, courses organized by ability levels or phases are not to be considered separate preparations.

E. Middle school special area teachers (art, music, etc.) may not be assigned annually more than six teaching periods per day. If a special area teacher is assigned to teach both elementary school and middle school classes in the same day, such teacher shall not be assigned more than a combination of seven teaching periods on such day.

4.6 HIGH SCHOOL SCHEDULE

A. High school teachers shall have a continuous duty free lunch period equivalent to the length of the student lunch period.

B. High school teachers shall have, in addition to their lunch period, a preparation/conference period equivalent to a class period at least five (5) times each week, during which they shall not be assigned to any other duties, except in emergencies.

C. In addition to homeroom or equivalent duty, academic subject area high school teachers shall not be assigned annually more than five (5) teaching periods plus one (1) extra duty assignment per day. As used in this paragraph, the term "teaching period" shall include only classroom instructional groups. The term "extra duty assignment" shall include conventional study halls, tutoring, resource centers, general supervision, and other similar assignments.

Teachers may be assigned a duty period in lieu of a teaching assignment. Science teachers responsible for laboratory courses may be assigned one (1) laboratory period in lieu of an extra duty assignment on any given day.

D. High School teachers shall not be required to make more than three (3) teaching preparations by course title within subject areas at any one time. Such teachers, in addition, may be required to teach one limited enrollment course (i.e. less than ten students) provided that they are relieved of homeroom obligations and extra duties such as study hall.

4.7 RESOURCE/SUPPORTIVE STAFF

A. It is recognized that the most efficient use of resource and/or supportive staff may involve work day and work year schedules which differ from those set forth elsewhere in this Article. As used herein the term "resource and/or supportive staff" means librarian, instructional resource teacher, guidance counselor, psychologist, social worker, speech and hearing clinician, and any position which becomes a part of school planning and placement teams (excluding classroom teachers).

B. The Board may during the term of this Agreement propose changes in the work day and work year for resource and/or supportive staff. If such a proposal is made, the parties shall meet promptly for the purpose of negotiating such proposal. Such negotiation shall include the issue of appropriate security arrangements. No proposed change may be implemented by the Board within thirty (30) days after the proposal is made, without prior written agreement of the Association.

C. Special education teachers required to do diagnostic testing will have in addition to their conference period, scheduled time necessary, within the student day, to fulfill testing needs as determined by the administration.

ARTICLE V **REDUCTION IN FORCE**

5.1 In the event of a reduction in the number of certified personnel in East Hartford, the following procedure shall be followed subsequent to the Board of Education's determination of the number of positions to be eliminated:

A. Establish the names of people who are in the affected instructional areas (within elementary, middle and high school grade levels, considered separately).

B. List the names of said personnel by ranking those most senior at the top and those most junior at the bottom on the basis of length of continuous service in the district.

C. Terminate the employment of the least senior person if no other position exists in any other instructional area in which the person may be placed based upon his/her certification endorsements and length of service.

D. In the event that administrative positions below the rank of Director are eliminated such personnel may elect to exercise seniority based upon his/her certification endorsement/endorsements and length of continuous service in the district. In which case, the procedure established in paragraphs A, B and C above shall be followed to ascertain whether a position shall be made available to such administrator.

E. No tenured certified teacher (as defined in Section 10-151 (b) of the Connecticut General Statutes) shall be laid off when a position exists which is either vacant or occupied by a non-tenured teacher and for which the tenured teacher is certified or immediately certifiable.

5.2. A. In the event of a tie in length of service for a position defined in the Recognition Clause of this Agreement, Article II, Section 2.1, the following criteria shall be applied in the order listed:

1. Previous regular teaching service in East Hartford.
2. Previous long-term substitute service in East Hartford.
3. Previous per diem substitute service in East Hartford.
4. Date contract signed.

B. Seniority shall be determined on the basis of length of continuous service in the district.

C. Length of service shall be defined as continuous service in the East Hartford School System under a contract of employment. Such length of service shall not include leaves of absence without pay in the excess of one school year. Provided, however, that required military leaves of absence shall be covered as to length of service as required by the Connecticut General Statutes pertaining thereto.

D. Tenured teachers who are laid off shall be placed on a "recall list" for a period of two school years and shall be re-employed on the basis of length of service, provided they hold the necessary certification endorsement for the position. Any person refusing a full time position when recalled shall retain his/her position on the recall list; a second refusal will place that person on the bottom of the recall list.

E. Personnel who are re-employed from a recall list shall be entitled to reinstatement of sick days, length of service credit and placement on the salary schedule at the level above the level held when laid off.

5.3 It is understood that the layoff of a tenured teacher is a termination of employment subject to administrative and/or judicial review in the manner set forth in the subsections of Section 10-151 of the Connecticut General Statutes, as amended, and in no other manner. In the case of judicial review under those statutory provisions (tenured teacher) the parties agree that the provisions of this article can and should be submitted to the court.

ARTICLE VI
FACILITIES

The Board will make every reasonable effort to provide in each school building:

- 6.1 Space in each classroom in which teachers may safely store instructional materials and supplies;
- 6.2 A teacher workroom containing adequate equipment and supplies to aid in the preparation of instructional materials;
- 6.3 An appropriately furnished room to be used as a faculty lounge (said room to be in addition to the aforementioned teachers' workroom) containing a telephone;
- 6.4 Clean, well-lighted, well-supplied and well-ventilated teachers' rest rooms restricted to staff use;
- 6.5 A system whereby teachers can effectively and expeditiously communicate with the main building office in the event of an emergency;
- 6.6 Teachers' cafeterias or rooms provided for teachers' lunch in all schools;
- 6.7 Two-way communication system between classrooms and office in all school buildings;
- 6.8 Working, conference and storage facilities for special instructional and non-instructional personnel.
- 6.9 The parties recognize that with regard to early childhood education, funding for the facilities and resources described in this Article is limited by the amount of governmental funding provided for such early childhood education programs. Nothing in this Article shall be deemed to require the Board to expend any monies or take any action to expand or modify the facilities and/or resources described in this Article beyond the level in effect as of December 1, 1997.

ARTICLE VII
NON-DISCRIMINATION

7.1 Both parties agree to continue their policies of not discriminating against any teacher by reasons of membership or non-membership in, participation or non-participation in the activities of the Association or any other employee organization. Both parties also agree to continue their policies of not discriminating against any teacher on the basis of race, color, religion, age, sex, national origin, disability, marital

status, or sexual orientation. Use of masculine or feminine pronouns is understood to refer to teachers of either sex.

ARTICLE VIII **TEXTBOOKS**

8.1 The policy of the Board is to ensure that each pupil has adequate materials to implement the instructional program.

8.2 Prior to changing a textbook, the teachers affected and/or a committee of such teachers appointed by the Superintendent shall be given the opportunity to meet and consult with the Superintendent or his designee regarding the proposed change or selection.

8.3 The parties recognize that with regard to early childhood education, funding for instructional materials may be limited by the amount of governmental funding provided for such early childhood education programs.

ARTICLE IX **STAFFING CONSIDERATIONS**

9.1 In order to establish class size for Grades K-12, enrollment shall be examined on the tenth (10th) student day in the school year. Where a class size exceeds 25 in Grades K-2, 27 in Grades 3-4 or 28 in Grades 5-6 on such tenth (10th) day, the class(es) affected shall be split and an additional teacher shall be hired for the remainder of the school year. If at any point during the school year after such tenth day a class size exceeds 29 in Grades K-2, 29 in Grades 3-4 or 31 in Grades 5-6, the class(es) affected shall be split and an additional teacher shall be hired for the remainder of the school year.

At each elementary school, class sizes within the same grades shall not deviate by more than one (1) student, unless there are sound educational reasons for such deviation of numbers.

ARTICLE X **NON-TEACHING DUTIES**

10.1 The Board and the Association agree that a teacher's primary responsibility is to teach and that his energy should be utilized to this end.

ARTICLE XI
SUMMER SCHOOL PROGRAM

11.1 The Board and the Association recognize that the summer school program may vary substantially from year to year, offers the opportunity for experimentation, and calls for flexibility in approach. The parties understand and agree that the early childhood education student school year normally extends beyond the K-12 school year, and that the term "summer school program" as used in this Article shall not be deemed to include such extended year programs in the early childhood education area.

11.2 The Board will adequately publicize its general scope and content, and the positions to be filled by teachers, including a notice in every school (by posting, through the Superintendent's bulletin, or otherwise) as soon as possible.

11.3 Subject to special requirements of the program (e.g. in-service training for new personnel), position openings shall be filled on the basis of competence and experience, and other things being equal preference shall be given to applicants from the regularly appointed teacher staff in the East Hartford school system.

ARTICLE XII
PROTECTIONS

12.1 Teachers shall immediately report to their superior orally, to be followed by a written report, all cases of assault suffered by them in connection with their employment.

12.2 Such report shall be forwarded to the Superintendent and the Board which shall comply with any reasonable request from the teacher for information in its possession not privileged under the law which relates to the incident of the persons involved.

12.3 The Board shall comply with the provisions of Section 10-235 of the Connecticut General Statutes with respect to civil proceedings initiated against a teacher.

ARTICLE XIII
ACCIDENT BENEFITS

13.1 Whenever a certified person is absent from school as a result of personal injury, compensable under the Connecticut Workers' Compensation Laws, and arising out of and in the course of his employment, he may use his accumulated sick leave to supplement payments received for temporary total disability under the Workers' Compensation Act. Sick leave used for this purpose will be deducted at the rate of one-

half day for each date of absence. The Board shall have the right to have such person examined by a physician designated by the Board for the purpose of establishing the length of time during which he is temporarily disabled from performing his duties, and, in the event that there is no adjudication in the appropriate workers' compensation proceeding for the period of temporary disability, the opinion of said physician as to the said period shall control.

A teacher who is unable to work as a result of an incident falling within the provisions of Conn. Gen. Stat. § 10-236a shall be eligible for continuation of full salary payments in accordance with said statutory provision.

The following shall apply to any teacher who is eligible for payments under Section 23.1 and who has used sick leave to supplement workers' compensation payments under this section within the three (3) calendar years preceding his or her normal retirement under the Teachers' Retirement System: The total number of sick days used by such teacher for such purpose shall be restored for the purpose of calculating the benefit available to the teacher under Section 23.1, subject to the maximum payment limitations set forth in Section 23.1.

13.2 If a teacher is absent because of illness of a contagious communicable disease, other than the common cold or flu, traceable to contact made in school, the absence will not be charged against that teacher's sick leave.

ARTICLE XIV **LEAVE PROVISIONS**

SICK LEAVE

14.1 Each certified person shall receive leave of absence with full pay for sickness at a rate of fifteen (15) days a year. These fifteen (15) days may be accumulated up to one hundred eighty-five (185) days. Notwithstanding the foregoing, any teacher who has accrued more than one hundred eighty-five (185) sick days as of June 30, 2007 shall be permitted to retain such accumulated sick days, but shall not be permitted to accumulate any additional sick days on or after July 1, 2007 unless and until such time as such teacher's total sick leave accumulation falls below one hundred eighty-five (185) days. Sick leave days used by a teacher in any contract year shall first be charged to the teacher's 15-day sick leave allotment for that year, prior to any charge against the teacher's accumulated sick leave. Accumulated sick leave will be determined on the basis of such person's service with the Board since the most recent date of hire.

14.2 Each teacher shall be notified of his accumulated sick leave by letter at the beginning of each school year, either through the payroll process or by separate notification.

- (d) Up to a total of five (5) personal days per year will be granted for absence for business beyond the individual's control which cannot be conducted outside of school hours. Except in emergencies, the request for such leave must be made prior to such leave by the individual to the Director of Human Resources, acting as designee of the Superintendent, provided that for two (2) days per year said request need not state the reason for the leave. Such two (2) days may not be used in conjunction with any other leave day or school holiday, but may otherwise be used in conjunction with each other. Leave under this paragraph (d) will be granted for the following reasons:
 - 1. Court appearance where the teacher is a party or is subpoenaed.
 - 2. House and mortgage closing of the teachers' domicile.

The number of days allowable for each of the above reasons shall be subject to reasonable limitations. Personal days shall not be used to extend student recess periods.

- (e) Additional personal days for the above or personal days for reasons not mentioned above may be granted at the discretion of the Director of Human Resources.

14.5 In exceptional cases, the Board may grant additional sick leave with or without pay. Requests for such additional sick leave shall be in writing and must be signed by such person when possible.

14.6 Sick leave may not be used for recuperation from illness or injury which is directly traceable to employment by another employer.

14.7 It shall be the responsibility of the certified person to notify the central office in advance of extended absence if possible.

- (a) The Superintendent may request an appropriate medical certificate from any certified person for any leave of any duration.
- (b) When required to provide a certificate, the teacher shall have the option of providing a certificate from a doctor of his/her own choosing, in which case the teacher shall pay, or a doctor chosen by the Board in which case the Board shall pay. In any case, the Board may seek the judgment of its own physician.

14.14 Childrearing or adoptive leave for purposes other than disability must be requested, in writing, prior to (a) the time disability sick leave due to pregnancy commences, or (b) the time that the spouse of a certified staff member is determined to be disabled as a result of pregnancy, or (c) the adoption of a minor child, whichever is applicable.

A. Childrearing or adoptive leave shall commence at the end of disability sick leave as determined by medical authority, as applicable.

B. If disability sick leave commences between September 1 and January 31, the child-rearing leave shall extend for the remainder of the school year. Notification of intent to return shall be submitted by March 1 of the calendar year in which the certificated staff member plans to return. Failure to notify will constitute a resignation.

C. If the disability sick leave commences between February 1 and August 31, the child-rearing leave shall extend for the remainder of the school year and may extend for the next full school year if the teacher elects to do so in writing at the time the leave is requested. Notification of intent to return shall be submitted by January 1 of the calendar year in which the certified staff member plans to return. Failure to notify will constitute a resignation.

D. The certified staff member will be reinstated to a position for which he is certified and qualified provided his status has not been affected by Article 5.1 of this Agreement.

E. A certified staff member absent on child-rearing leave will be placed, upon his return, at the next salary step appropriate to his step placement at time of leave, provided teaching service exceeded ninety (90) school days in the school year.

F. Upon the expiration of any FMLA leave applicable to the teacher's childrearing leave, the teacher may continue insurance coverage at the teacher's expense for the duration of the childrearing leave.

G. Credit toward longevity shall not be granted for this period of leave.

LONG TERM LEAVE

14.15 The Board shall consider and may grant requests for a long-term leave of absence without pay for the following reasons. Care of a family member, study not qualifying for sabbatical leave, or other activities leading to professional improvement as an educator. Such leave shall normally be for a full school year, unless the reason does not arise until after the beginning of a school year. A request shall be made at least 90 days prior to the date the leave is expected to commence unless the reason is not known until a later date, and a response shall be given within 45 days of receipt of the request.

SABBATICAL LEAVE

14.16 Upon the recommendation of the Superintendent a sabbatical leave may be granted at the discretion of the Board for purposes of professional growth and development.

A. The teacher must have completed at least seven years of satisfactory service with the Board.

B. Sabbatical leave may be granted for one half of a school year or for one entire school year.

C. Applications for sabbatical leave should be submitted to the Superintendent on or before March 1st. The deadline of March 1st may be waived by the Superintendent.

D. Written notice of the Board's decision on each sabbatical leave application will be given to each applicant by June 1st.

E. Teachers absent on sabbatical leave shall be paid 75% of the contract rate in effect during such leave; provided, however, reductions shall be made, where necessary, so that the total of such payments, together with any amounts received in connection with the activities carried on during the sabbatical leave, do not exceed the salary to which such teacher would have been entitled under this contract for service with the Board during the period of the sabbatical leave. In addition to such salary, the Board may, in its discretion, reimburse the teacher for travel and other expenses related to the sabbatical leave. During the sabbatical leave, the teacher may continue insurance coverage at the teacher's expense for the duration of the leave.

F. In extraordinary cases where a teacher plans to study in areas determined by the Board to be critical, the seven year requirement of Section A may be waived and the employee may receive up to 100% of the contract rate referred to in Section E.

G. A teacher absent from service because of sabbatical leave, shall be entitled to such advancement on the salary schedule as he would have received had he remained in the system.

H. In the event that completion of the approved professional objectives of the sabbatical leave is made impossible by illness or injury, salary payments will be continued beyond the date such disability is incurred for a period equivalent to the sick leave credit accrued by the teacher.

I. Teachers who are granted sabbatical leave shall as a condition of acceptance agree to return to service in the school system for a period of two (2) full school years following the completion of the sabbatical leave. In the event a teacher does not fulfill his/her agreement to serve two years following the completion of the sabbatical leave, the following provisions shall apply:

- 2) For service of more than one year but less than two full years following completion of the sabbatical, the teacher shall reimburse the Board in an amount equal to one-half of the total compensation paid to the teacher during the period of the sabbatical leave.
- 3) Such reimbursement shall be made to the Board in one lump sum within sixty days of the end of the sabbatical leave.

- F. Teachers must notify the Board by March 1st of the leave year of their decision whether or not to return to teaching. Failure to notify, results in automatic resignation. This date is of the essence.
- G. Teacher returns to normal salary sequence and benefits accrual excluding the year of leave.
- H. Return to same position is dependent upon needs of school system.

ARTICLE XV **SALARIES**

15.1 The salary schedules and differentials for the school years covered by this Agreement are set forth on Schedules A and B attached hereto and hereby made a part of this Agreement.

15.2 Certified personnel shall have the option of choosing either 21 equal pay periods or 22 pay periods where the first 21 pays are equal to 1/26 of the teachers' pay and the 22nd pay period is equal to 5/26 of the teachers' pay.

15.3 On completion of 15 years service in East Hartford, \$200 will be added to the salary schedule. This will be increased by \$200 each five year period thereafter until

retirement. Credit shall be given for years necessary to achieve longevity for United States Military Service which interrupts teaching service in East Hartford; such credit not to exceed two years. This provision shall be applicable only to teachers who are eligible for and are receiving such longevity payments as of June 30, 1995. ARTICLE XVI **INSURANCE**

16.1 The Board will maintain the PPO Plan as set forth in Appendix C for the period through and including June 30, 2015. Effective July 1, 2015, the PPO Plan shall be eliminated. The Board shall also maintain a High Deductible Health Plan/Health Savings Account (HSA Plan) as set forth in Appendix D. Enrollment in the insurance plans shall be subject to any and all eligibility requirements established by the insurance carrier and/or plan administrator, at group rates subject to conditions imposed by the carriers, with such coverage to be paid by the employee through payroll deduction.

Enrollment in the HSA Plan shall be phased in as follows:

Effective July 1, 2013, thirty-three percent (33%) of all teachers taking health insurance through the Board must be enrolled in the HSA Plan. In addition, teachers hired on or after July 1, 2013 shall be able to enroll themselves and their dependents only in the HSA Plan.

Effective July 1, 2014, sixty-six percent (66%) of all teachers taking health insurance through the Board must be enrolled in the HSA Plan.

Effective July 1, 2015, one hundred percent (100%) of all teachers taking health insurance through the Board must be enrolled in the HSA Plan.

If the number of teachers voluntarily enrolling in the HSA Plan as of July 1, 2013 and July 1, 2014 is insufficient to satisfy the applicable percentages set forth above, then an additional number of teachers sufficient to satisfy those percentages will be required to enroll in the HSA Plan, in the order of seniority (with the least senior teachers being required to enroll first).

Effective July 1, 2013, July 1, 2014 and July 1, 2015, respectively, the Board will contribute fifty percent (50%) of the applicable HSA deductible into the Health Savings Account of each teacher enrolled in the HSA Plan eligible to receive such contributions under applicable law. The Board's contribution into the HSA shall be prorated for any new teacher enrolling in the HSA Plan after the plan year has commenced (and for any other teacher enrolling in the HSA Plan after the plan year has commenced, as provided under the Internal Revenue Code based on a qualifying event affecting the teacher). Employees enrolled in the high deductible health plan must remain in the plan for the entire plan year. The parties acknowledge that the Board's contribution toward the funding of the deductible is not an element of the underlying insurance plan, but rather relates to the manner in which the deductible shall be funded for actively employed teachers. The Board shall have no obligation to fund any portion of the deductible for retirees or other individuals upon their separation from employment.

The teachers' premium contributions toward the HSA Plan will be as follows:

Effective July 1, 2013: 16.00%
Effective July 1, 2014: 16.25%
Effective July 1, 2015: 16.50%

Effective July 1, 2013, the HSA Plan shall be the core insurance plan. For any teacher hired prior to July 1, 2013 who remains enrolled in the PPO Plan, the Board will pay the same total dollar amount toward the premium cost for the PPO Plan as the Board pays toward the premium cost for the HSA Plan for a teacher enrolled at the same coverage level. The teacher shall pay 100% of the difference between the Board's total dollar premium contribution and the total premium cost for the PPO Plan.

The Board will also provide for all teachers Blue Cross Full Service Dental Plan with riders A, B, C. The teachers' premium contributions toward the dental plan will be as follows:

Effective July 1, 2013: 20.00%
Effective July 1, 2014: 20.25%
Effective July 1, 2015: 20.50%

The teachers' premium contributions shall be based on the fully-insured rates for the plan selected.

The Board will adopt an Internal Revenue Code Section 125 plan which allows teachers to pay insurance contributions with pre-tax dollars.

16.2 The Board shall provide and pay for a life insurance policy with a double indemnity provision for each teacher in the amount of \$25,000.

16.3 Life insurance for teachers retiring after January 1, 1970, shall be paid in full by the Board to the amount of \$3,000.

16.4 Teachers retiring under Chapter 167A shall be permitted to continue their health insurance in accordance with C.G.S. 10-183t.

16.5 All insurance benefits shall be subject to an "or equal" provision which shall allow the Board to effect whatever economies it may deem appropriate provided there is no decrease in the benefit that is negotiated. The EHEA shall be consulted prior to the adoption of any such plan and the Board shall provide a certification from a CLU insurance broker, licensed in the State of Connecticut, that the proposed plan is, in fact, equal to or exceeds the existing plan in benefits, coverages, and administration.

ARTICLE XVII

VACANCIES, ASSIGNMENTS AND TRANSFERS

17.1 Promotional positions are defined as those positions requiring an administrative or supervisory certificate or positions set forth on Schedule B attached hereto.

17.2 When the Superintendent determines that a vacancy exists in a promotional position or a new promotional position is created, notice of such vacancy or newly created position shall be made known to all teachers by posting for a minimum period of ten (10) school days on the district website and bulletin boards.

17.3 Notice of all such vacancies that arise during the summer months shall be posted for a minimum period of ten (10) days on the district website and on the central office bulletin boards.

17.4 A written notice of the decision on each application shall be forwarded to the applicant and the Association.

17.5 Qualifications, work requirements and the effective date for vacancies or newly created positions shall be clearly defined for all prospective applicants.

17.6 Nothing herein shall preclude the Board in an emergency from filling such positions with any person whom it finds qualified.

17.7 Teachers shall be notified in writing annually of their teaching assignments not later than the last day of school. Such notification shall include grade level, subject area and building assignment. In the event of a change in circumstances, such assignments may be changed as required to meet the situation, and the teacher shall be notified as soon as possible. No transfer of teachers will occur after the first fifteen (15) days of school, except in emergency circumstances such as death, resignation, or emergency school closing, or by agreement with the affected teacher after consultation with the Association. In the event that a teacher is reassigned from one building to another building after the start of the school year, the affected teacher shall be given two (2) school days to complete the required move. If the teacher is reassigned within the same building after the start of the school year, he/she shall be given one (1) school day to complete the required move. Appointments to extracurricular or cocurricular positions shall be confirmed in writing to the teachers appointed to such positions.

17.8 Teachers who desire a change in assignment or who desire to transfer to another building shall file a written statement of such desire with the Department of Human Resources no later than January 1. Such statement shall include the grade and/or subject to which the teacher desires to be assigned or the school or schools (in order of preference, if the teacher has preferences) to which he desires to be transferred.

17.9 Notice of transfer shall be given to teachers as soon as practicable and under normal circumstances no later than the last day of school. Where a request is denied, the teacher will receive an explanation for such action either in person or in writing, at the option of the Administration. Where no response is given by the last day of school, this teacher shall be entitled to a personal explanation upon request.

17.10 In arranging schedules for teachers who are assigned to more than one school, an effort will be made to limit the amount of inter-school travel. Such teachers shall be notified of any change in their schedules as soon as practicable. Such teachers shall have sufficient travel/set-up time in addition to their regularly scheduled conference periods.

ARTICLE XVIII **GRIEVANCE PROCEDURE**

18.1 The purpose of the following grievance procedure shall be to settle equitably at the lowest possible administrative level issues which may arise from time to time with respect to the salaries and working conditions of teachers provided for in this Agreement. The Board and the Association agree that these proceedings shall be kept as informal and confidential as may be appropriate at any level of the procedure, subject to the provisions of the Freedom of Information Act. The Board also agrees to make

available to any aggrieved teacher and/or his Association representative all records within the possession of the Board which bear on the issues raised by the grievance, to the extent required by the Freedom of Information Act.

18.2 A. Grievance. A grievance shall mean (i) a complaint by a certified teacher or teachers that his, her or their rights under the specific language of this agreement have been violated or that as to him, her or them there is a misinterpretation or misapplication of a specific provision of this agreement, or (ii) a complaint concerning an event or condition which affects the welfare or conditions of employment of a teacher or group of teachers. C. Nothing contained in this grievance procedure shall be construed to deny any teacher his/her constitutional rights under the laws of the State of Connecticut.

D. Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level of grievance procedure should be considered maximum. These time limits may, however, be extended by mutual agreement. The failure of a teacher (aggrieved) to proceed to the next step of the grievance procedure within the time limits set forth shall be deemed to be an acceptance of the decision previously rendered and shall constitute a waiver of any future appeal.

concerning the particular grievance. The failure of an administrator or one who is grieved against at any step to communicate his/her decision to the aggrieved within the specified time limits shall permit the aggrieved to proceed to the next step.

E. In the event a grievance is filed on or after June 1, the Board and the Association may mutually agree upon changes in the time limits set forth herein so that the grievance may be exhausted prior to the end of the school year or as soon thereafter as is possible.

F. The primary function of this procedure is to seek to resolve the professional problems of individual teachers or groups of teachers. This is to be done with the least possible publicity maintaining professional confidences so as to curtail any adverse effect on the school system or profession.

Notwithstanding the foregoing, any part-time teacher assigned to teach one-half or more of the regular teaching load as of June 30, 2007, and who thereafter continues teaching in a part-time position equal to one-half or more of the regular teaching load, on a continuous basis, shall receive the same insurance benefits accorded a full-time teacher.

21.8 Any teacher who uses his/her personal vehicle on Board Business will be reimbursed at the IRS rate. Payment will be monthly.

21.9 Long-term substitutes, as defined under the Connecticut General Statutes and the regulations promulgated by the State Department of Education, shall be paid in accordance with this section. Long-term substitutes who are hired for an assignment which is expected to last at least one full school year shall be paid at Step One of the BA Schedule from day one of the assignment. Long-term substitutes who are hired for an assignment which is expected to last less than one full school year shall be paid at a rate to be determined by the Board. In no case shall any long-term substitute be eligible for benefits under this contract, except that long-term substitutes may participate in the health insurance plan(s) offered to teachers, at their own expense. As used in this section, the term "benefits" shall include, but shall not be limited to, the provisions set forth in Articles V, XIII, XIV, XV, XVI, XVII, XXI (except Section 21.1, if a formal evaluation is prepared for such teacher), XXII and XXIII.

21.10 No teacher shall be suspended, reduced in rank or compensation or denied an increment without just cause.

ARTICLE XXII
SALARY PLACEMENT

22.1 Schedule credit shall be given for active military service, or Peace Corps service up to two (2) years.

22.2 In order to become effective for salary purposes, changes in degree status (together with transcripts or other satisfactory evidence of course completion) must be submitted to the Director of Human Resources in accordance with the following schedule:

<u>Deadline for Submission</u>	<u>Date Changes Will Become Effective</u>
August 15	First payroll occurring after 9/1
January 15	First payroll occurring after 2/1

22.3 (a) For salary placement the District will recognize all previous full-time pre-K through 12 teaching experience from East Hartford Public Schools, another public school district and/or parochial/private schools if a regular teacher (not substitute) with appropriate State certification is hired. No new teacher will be placed on a step higher than currently employed East Hartford teachers having equal education and experience.

(b) Under extenuating circumstances exceptions to 22.3(a) will be permitted after notification to EHEA of reasons.

ARTICLE XXIII
RETIREMENT SEPARATION PAY

23.1 Teachers who were hired prior to July 1, 2004 and who retire from public school teaching while eligible for retirement under the State Teachers' Retirement Plan shall receive retirement separation pay for serving a minimum fifteen (15) years of continuous teaching service in East Hartford. Such payment shall be made as follows:

The following payment formula shall apply:

<u>Percent</u>	<u>Maximum Days Paid</u>
40% of accumulated sick leave (not to exceed 185 days)	74

Payment is at 1/185 of the teacher's annual salary based on degree and step in retirement year. The Board shall pay to the estate of a teacher who dies before retirement, but would otherwise be eligible for a benefit under this paragraph, an amount computed as if the teacher had retired on the date of death. This provision applies only to teachers who retire from teaching service, as described above, and it shall not under any circumstances apply to a teacher whose employment is terminated by the Board and/or who loses or surrenders his/her teaching certificate as a result of moral misconduct (as defined in Conn. Gen. Stat. § 10-151) occurring prior to the teacher's separation from employment with the Board. In order to receive the payments described in Section 23.1 on or about June 30 of the year in which the teacher retires, the teacher must submit written notice of retirement to the Superintendent or his/her designee on or before January 1 of the year in which the teacher retires. If notice of retirement is not submitted to the Superintendent or his/her designee on or before such date, such payments will be made on or about June 30 of the following year.

The provision regarding separation pay outlined above shall not apply to any teacher hired on or after July 1, 2004.

23.2 Teachers shall receive their retirement separation pay in one payment.

ARTICLE XXIV **WAIVER CLAUSE**

24.1 In the event that any portion or portions of this agreement are found to be illegal, void, or voidable, it is agreed that such finding will have no effect on the remaining portion or portions of this Agreement, and both parties will meet immediately and bargain such new language as is necessary to comply with such restrictions.

ARTICLE XXV **DURATION**

25.1 This Agreement contains the full and complete Agreement between the Board and the Association on all negotiable issues, and neither party shall be required during the term thereof to negotiate upon any issue, whether it is covered or not covered in this Agreement.

25.2 This Agreement shall be in full force and effect for the period commencing July 1, 2013 - June 30, 2016.

25.3 This Agreement shall bind and inure to the benefit of the Board, certified personnel, and the Association.

The following items arising in the course of negotiations are subject to common understanding and are resolved aside from negotiations in the manner stipulated:

1. Duties for Elementary Teachers

- A. A joint committee of two teachers named by the EHEA and two administrators, chaired by the Director of Human Resources shall review the proposed duty schedules. This committee is charged with setting standards for reasonable duty assignments of teachers.
- B. The standards and the proposed duty schedules will be submitted to the committee at each school dealing with shared decision making for purposes of developing a duty schedule.
- C. The duty schedule will be reviewed by the joint committee.
- D. Final decision, if necessary, will be made by the Director of Human Resources after consultation with the Association and the Principal.

2. Flexible Starting/Leaving Time

A directive will be issued to all principals to the effect that they are empowered to make individual arrangements for teachers who, on a schedule or intermittent basis, require an adjustment in their scheduled arrival and departure time. Otherwise the staff will adhere to the scheduled starting and ending time for teachers.

3. Elementary School Schedule 4.4B

If a teacher does not receive the benefit described in the last sentence of Paragraph 4.4B on the date in question he/she will be allowed to leave early on any day within a five (5) day period following the date of incident.

The teacher must notify the principal as much in advance of the day of early departure as possible.

MEMORANDUM OF UNDERSTANDING

The East Hartford Board of Education and the East Hartford Education Association recognize that the current practice with respect to home visits by early childhood education teachers is to have such teachers accompanied by another employee of the district during such visits. If the Board anticipates modifying or discontinuing this practice, the Board will notify the Association and provide the Association with an opportunity to discuss such modification or discontinuance prior to the implementation of any such change.

MEMORANDUM OF AGREEMENT

The East Hartford Board of Education (the "Board") and the East Hartford Education Association (the "EHEA") agree as follows:

1. The Board has notified the EHEA that, effective at the beginning of the 2001-2002 school year, the elementary school schedule for "specials" (i.e. music, art and physical education) will be modified to provide for longer periods of instruction. As a result, the special area teachers will have additional student contact time each day, effective at the beginning of the 2001-2002 school year.
2. The EHEA has notified the Board that the EHEA believes that the Board's modification of the specials schedule at the elementary schools violates certain provisions of the collective bargaining agreement. In addition, the EHEA has notified the Board that the EHEA believes the Board is obligated to negotiate with the EHEA regarding the impact of the modification of the specials schedule. The Board denies that the modification of the specials schedule violates the contract in any respect. In addition, the Board disputes the EHEA's contentions regarding impact bargaining.
3. In order to avoid protracted proceedings regarding the EHEA's claims, and in order to fully and finally resolve any and all contract violation claims and impact bargaining issues arising out of the modification in the specials schedule at the elementary schools, the Board and the EHEA agree as follows:
 - a) Effective at the beginning of the 2001-2002 school year, Schedule B-3 of the collective bargaining agreement will be modified to provide for a total of six (6) extracurricular activities per elementary school, at the stipend rates set forth in the Schedule B-3. The six (6) extracurricular activities per elementary school will include extracurricular choral and art activities. In addition, a stipend for physical education activities (i.e. Hershey Track Meet) at each elementary school will be added to Schedule B-3. The ratio and stipend amounts for the physical education activities stipend will be equal to the ratio and stipend amounts for High School Co-Curricular and Other Activities (i.e. a ratio of .01, and stipend amounts of \$241, \$249 and \$256, respectively, for the three years of the collective bargaining agreement).
 - b) Effective at the beginning of the 2001-2002 school year, elementary special area teachers (i.e. music, art and physical education teachers) will be responsible for lunch duty every third day of school. Lunch duty will not exceed the length of a student lunch period. Such teachers will not have any other administrative duty periods.
4. The modification of the Unified Arts schedule, as described above, shall not impact on the length of the student day and/or teacher work day as described in Article IV of the collective bargaining agreement.

5. The EHEA agrees that it will not file or pursue, or assist any bargaining unit member in filing or pursuing, any prohibited practice charge, grievance or other claim arising out of the Board's modification of the specials schedule, as described above.

PUBLIC SECTOR 3 TIER PRESCRIPTION PLAN (Teachers PPO)
Benefits at a Glance

\$5 COPAYMENT GENERIC DRUGS
\$15 COPAYMENT LISTED BRAND-NAME DRUGS
\$30 COPAYMENT NON-LISTED BRAND-NAME DRUGS
\$2,000 Annual Maximum

How To Use 3-Tier Managed Rx

3-Tier Managed Rx has three different levels (or “tiers”) of copayments, depending on the type of prescription drug you purchase (see the chart below for details). Your copayments will be lower when you use generic or brand-name medications that are on our list of preferred prescription drugs. The medications on this list are selected for their quality, safety and cost-effectiveness. You’ll still have coverage brand-name drugs that are not on the list, but your copayment will be higher.

Talk to your provider about using generic drugs or listed brand-name drugs. It’s a simple way to save out-of-pocket expenses.

Copayments and Day Supplies

- You will be responsible for one copayment when purchasing a 30-day supply (34-day supply/100 Unit Dose) of prescription drugs from a retail pharmacy.
- You’ll be responsible for Two copayments when purchasing a 30-day to 100-day supply of maintenance drugs through the voluntary mail-service program (see chart for details).

Generic Drugs Have the Lowest Copayment

		<i>Your copayment:</i>
Tier 1: Generic drugs	The term “generic” refers to a prescription drug that is not protected by a trademark. It is required to meet the same bioequivalency test as the original brand-name drug. Tier 1 copayment applies.	\$5
Tier 2: Listed brand-name drugs	The term “listed brand-name” refers to a brand-name prescription drug that is on the list of preferred prescription drugs. Tier 2 copayment applies.	\$15
Tier 3: Non-listed brand-name drugs	The term “non-listed brand-name” refers to a brand-name prescription drug that is not on the list of preferred prescription drugs. Tier 3 copayment applies.	\$30
Mail Service	Two copayments when purchasing 30-day to 90-day supply	\$10/\$30/\$60
Annual Maximum	Per member per calendar year	\$2,000

Generic Substitution

Prescriptions will be filled with the generic equivalent when there is one available. Exception: If your doctor indicates “Dispense as Written.” In this case you will receive the brand-name drug—and you will be responsible for the applicable listed brand or non-listed brand copayment. NOTE: If your doctor does *not* indicate “Dispense as Written,” you will be responsible for the applicable listed brand or non-listed brand-name copayment as well as the difference in cost between the generic and listed brand or non-listed brand name drug.

Voluntary Mail-Service Program

The voluntary mail-service drug program can save you time and expense if you regularly take one or more types of maintenance drugs. You can order up to a 100-day supply of these medications and have them delivered directly to your home.

Two mail-service copayments will apply as follows: **Generic \$10/Listed brand name \$30/Non-listed brand name \$60**

National Pharmacy Network

Members also have access to a network of retail pharmacies throughout the country. Members may call to locate a participating pharmacy when traveling outside the state.

Non-Participating Pharmacies

Members who fill prescriptions at a non-participating pharmacy are responsible for payment at the time the prescription is filled. Members must submit claims directly for reimbursement, and payment will be sent to the member. Members who use non-participating pharmacies will pay 20% of the in-network allowance, plus the difference between the negotiated payment and the pharmacist’s actual charge.

Limits and Exclusions

Benefits are limited to no more than a **30-day supply (34-day supply/100 Unit Dose)** for covered drugs purchased at a retail pharmacy, and no more than a **100-day supply** for covered drugs purchased by mail service. All prescriptions are subject to the quantity limitations imposed by state and federal statutes.

Benefits for prescription oral contraceptive and sexual dysfunction medications are optional for groups such as yours. Check with your benefits administrator to find out whether or not you have such benefits.

This is not a legal contract. It is only a general description of the Managed Rx, 3 Tier version. Please consult the Evidence of Coverage or prescription drug rider for a complete description of benefits and exclusions applicable to your coverage.
