- **COMMUNITY GARDEN-** We discussed the garden and how interest continues to grow and here are some of the highlights:
 - the garden's water tank is to be filled through October for any late season gardeners
 - we discussed if "No Trespassing" signs should be installed around the property
 - early planning for closing the garden and planting this year's cover crop
- **FARMERS MARKET-** Jan brought us up to speed on all the great things going on with this year's Farmers Market held every weekend at the Trolley Museum. Her hard work and all the assistance of the farmers and vendors and live music have really paid off. The weekly event is well attended and supported by the community.
- Last day for the market will be October 11th
