New Business - CT Dept of Ag. will need a letter of support from the EW Ag. Com. in order to proceed with the application for purchase of a conservation easement on the 6 acres of the Hamm property that is in East Windsor. The other 13 acres of the property is in South Windsor, which is supporting the purchase of their portion. The Towns may be asked to contribute 25% of the cost of the easement once the value is established and an offer is made by the State.
