

Town of East Windsor Conservation Commission
Minutes for 02-23-17

In attendance Albert Grant, Fran Neill, Kirk Monstream, Shawn Rairigh

SPECIAL MEETING CALLED TO ORDER: 6:47 PM

MEETING HELD IN TREASURER'S OFFICE.

Minutes of Jan 26th approved

NEW BUSINESS:

1. Follow-up on previous evaluations of farm properties over and under 30 acres. We agreed that the existing paperwork for these evaluations will be pulled together in order that we put them in a catalog for future reference. Sean would pull together lists of conservation easements.
2. Landowner Contact letter. Albert would put together a contact letter to send out to farms in town on the 1490 list.
3. Bonding for Open Space. We are trying to iron out the process to get bonding for the town to purchase land for conservation. It was determined that in order to obtain bonding for a parcel, it would need to go to a referendum.
4. Budget Request/Conservation commission - 2017 FY Kirk discovered that it was too late in the planning cycle to get a line in the budget for the commission

OLD BUSINESS

250th Town Anniversary - Again discussed various ways the conservation Commission could be involved in the celebration.
