- 1. Due to lack of a quorum there was a brief meeting to present and review new information.**
- 2. Carol Madore presented information on East Windsor regarding current tax credit programs. Will present more information at the next meeting she stated State Statutes are specific on level of income.**
- 3. Also received additional information from the Town of Middlefield on their tax credit program.**

It appears from information received to date from other communities that it doubles the amount of hours need to facilitate an additional programs. It appears that this also leads to hiring at least an additional part time person.
