V. Public Participation:

Mike Balf: Mr. Balf questioned if the \$86,000 requested for the new part-time firefighter positions was still in the budget? He spoke in support of continuing to fund the \$86,000.00 for the part-time positions, and the rescue tools requested through the CIP (Capital Improvement Program).

<u>Steve Smith, Cobblestone Drive:</u> Mr. Smith noted that 11 people were in attendance this evening to discuss funding a \$34,000,000.00 budget while the previous evening 40+ people spoke against the police firing range.

Andy Hoffman, 6 Acorn Drive: Mr. Hoffman noted he is a member of the EDC (Economic Development Commission) but he is speaking as a private citizen. He indicated when he joined the EDC he was asked to conduct interviews with (East Windsor) businesses and EDC directors from the surrounding towns of South Windsor, Enfield, and Windsor. The EDC directors told him East Windsor wouldn't be able to compete with them, or anyone else, unless we get professional help. Mr. Hoffman indicated he is here this evening to ask the Board to continue the \$20,000 funding for Roger O'Brien. Mr. O'Brien brings professionalism to the Town, and he also knows the right people to help East Windsor. Mr. O'Brien has been in the business for 35 years. <u>DISCUSSION:</u> Chairman Corso requested a clarification of the transfer. Treasurer Lord noted that previously multiple departments included this line item; this cost has now been consolidated under the Town Properties portion of the budget. For that reason the total costs were under-estimated, and the increase charged by EverSource was larger than anticipated.

Mrs. Herms requested a list of transfers made throughout the year; Mr. Maynard concurred, suggesting he would like to see the information provided in a spreadsheet.

VIII. Unfinished Business:

a. Modular Project Update:

Treasurer Lord reported the anticipated completion date for this project is June, 2016. A sale of the notes to fund this project recently occurred; the Town received a good rate.

IX. New Business:

a. FY 16 Transfers – including transfer to OPEB for termination benefits:

Treasurer Lord summarized the process for allocation of the 2% funding increase approved via the recent referendum vote. The Board reviewed the budget, department by department, line item by line item.

Lengthy discussion occurred regarding road improvements, which include not only chip sealing and milling but items not often thought of such as replacement of guardrails, removing trees considered a potential safety hazard, filling potholes, etc. Mr. Norton and Mr. Sauerhoefer of the Public Works Department gave examples of the cost of various projects. Treasurer Lord noted she has received notification that East Windsor will receive municipal grant aid for FY 2016. The grant is purpose specific, and must be spent on road improvements only. The board cited concern as the Legislature is still considering the State budget. Discussion continued regarding funding options for road improvements.

MOTION: To TAKE A FIVE MINUTE BREAK.

Tripp moved/Corso seconded/VOTE:

In Favor:

Unanimous

The Board RECESSED at 8:10 p.m. and RECONVENED at 8:15 p.m.

The Board continued line by line review of the failed budget. Lengthy discussion occurred regarding expenditures proposed for the Police Department. Chief DeMarco and Deputy Chief Hart noted the cost of training salaries has increased as the State now charges for officer training. They will need to send two officers to the Police Academy.

Lengthy discussion followed as the Board continued their department by department, line by line review.

MOTION: To ACCEPT the 2015 – 2016 Budget with the transfers made at this evening's meeting.
