**IV. Communication:** None.

**TOWN OF EAST WINDSOR**

**Pension Committee – Special Meeting of April 30, 2014**

**V. Pension Funding Policy for GASB 67 and 68 Implementation:**

Treasurer Lord reported that one of the issues which will impact the next audit is the implementation of GASB 67 and 68, which calls for more transparency in town and municipal reports regarding funding employee pension plans. Treasurer Lord noted plans must include certain objectives, including a long range projection of when the plan would be depleted. Treasurer Lord indicated the Town has been funding the pension plans at 100% for the past three years. She and Becky Seilman, FSA, of Milliman have prepared the document before the Committee which is a plan and objectives for a Town Policy. Following approval by the Pension Committee this policy would be referred to the Board of Selectmen.

Review of the draft document followed. Mr. Maynard requested a summary of the Town's pension plans, what defines each plan, which group of employees participates in each plan, and the contribution rate of employees and the Town. Selectman Dearborn raised questions regarding the proposed 100% contribution rate; discussion followed regarding past and current pension plan funding history.

A member of the audience requested to speak. Denise Friedman, who is an employee of the school system, raised some questions regarding timeliness of information provided employees, could her rate of contribution be changed/increased, and other questions regarding information provided to employees. A brief discussion followed regarding retirement funding options. It was noted that as a school employee the information Ms. Friedman is questioning should be directed to the school system.

The Committee returned to review of the proposed funding policy.

**MOTION: To ACCEPT the Funding Policy, Town of East Windsor Pension Plan, dated March 25, 2014, as presented.**

**E. Bowsza moved/Corso seconded/**

**DISCUSSION:** Nothing further.
