We will be holding a **STAKEHOLDERS MEETING** to get the local feel and input as to how the study is progressing and how to proceed.

You are invited to participate in the Stakeholders Meeting. Your input is vitally important to the study in order to advance the town's goals! Please make every effort to attend.

**Meeting Date: Thursday, June 22, 2017**

**Meeting Time: 6:00 – 8:00 PM**

**Location: East Windsor Town Hall  
Meeting Room  
11 Rye Street, Broad Brook**

FYI – Although the CT DOT is sponsoring this study, the topic of the “roundabout” is not the focus at this time. Once the DOT has a better feel for those plans, a separate public meeting will be held.
