Dedication: Members received some feedback on the dedication: Toyota was very pleased with the memorial and the day of the dedication. Scouts were originally asked to part of the day to help with setup, they had a previously scheduled camp out event, last minute changes were made and they were told we did not need their help. Rick, I would like to clear up what happened with the scouts. 9 days before the dedication I made the decision that we could not use the scouts because they were not available until noon on the day of the event and we needed to set up before that. I went to speak with the chairman of troop 89 and we agreed it was best. Jim: Thank You!! Thank you to everyone who helped, Bob and Gil with the programs, this is was an overwhelming success. We are going to need to keep up the great work. This is an ongoing responsibility. We received the flag from DC, Motion to display the flag at Town Hall in the lobby Rick Webster, Robert Dynak second. All in favor
