MINUTES EASTHAM BOARD OF HEALTH WORKSHOP THURSDAY, JULY 30, 2015 AT 2:00pm

Present: Jane Crowley, Dr. Joanna Buffington, Susan Barker, Dr. Martin Haspel; Acting Chair, Vicky Anderson

I. OPENING STATEMENT

- Pat LaRiviere will be joining the Board of Health
- Jane Crowley, Health Agent and Tom Wingard, Building commissioner attended the July 29th planning board workshop to discuss the Ground Water Protection Regulations & Floor Drain Control Regulations. The planning board had many questions and a few suggestions they wished to make. These suggestions have been placed in the updated model and presented to the Board of Health for their consideration.
- Pond Restoration- "Friends of Schoolhouse & Ministers Pond" put together a presentation and would like there to be reconsideration on the restoration movement. The ponds are getting worse and something further has to be done in order to protect them.

II. CORRESPONDENCE & OTHER INFORMATION

- **Ground water Protection Regulation & Floor Drain control Regulation-**
 - The Board of Health would like to make the presented model regulations effective as of January 1, 2015.

III. OTHER BUSINESS

- Dr. Martin Haspel would like to revisit the case at 30 Bradford St. at the next Board of Health Workshop.
- **Reorganization-**
 - The Board members discussed nominating Pat LaRiviere to be the Board of Health Chair.

Dr. Joanna Buffington motioned to make Dr. Martin Haspel the in term Chair for the Board of Health
Vicky Anderson seconded this motion.
