

Enfield Conservation Commission  
Minutes Site Visit September 19, 2007

Site Visit on State of NH property - old Shaker Motel property bordered by the Northern Rail Trail and Mascoma Lake.

Present: Alan Strickland, Sue Hagerman, Joan Fishman, Fred Paradis, Gary Gaudette, Shirley Green.

6:00 PM Meeting called to order

Commission members looked at site which is divided into two parts. One is with the access from Shaker Bridge comprised mainly of grass, and the other is comprised of trees and brush located further to the east. The following were noted – a pool of water at the entrance, an old retaining wall and steps to the lake. There is a question of whether the new road will cut the rail trail or whether it will go underground. Fred will find this information for the next meeting.

Walked to the wooded section of the property where an old dock and maintained trail were noted. Walked to the end of the property where the lake comes back to the rail trail.

In summary, all members will think about ideas, and at the next meeting will try to make recommendations to the town.

Motion to adjourn at 6:33 PM

Alan Strickland
