

**Recreation meeting
May 19, 2009
7pm Whitney Hall conference room**

Present: Jeanine King, Steve Schneider, Dave Carr, Jennifer St. James

Steve updated the board on the Mascoma Lake Bridge Project and the impact on the beach area.

Jeanine indicated that the entire summer staff is planning to return. Jeanine is looking into using the CCB to have the lifeguards take swim test. They will need to swim 500yds before being offered a position for the summer.

Dave reminded the commission that the rules need to be updated at the Shakoma Beach and Huse Park. Jeanine will look for the rules that had been discussed previously and send them to members via email for review.

Steve mentioned that since the focus is on beautifying the Town for the parade on Monday, the beach will not be opening Memorial Day weekend. The plan will be to open the beach the first weekend in June.

Next meeting June 16, 2009, 7pm.
