

Essex Conservation Commission

December 2, 1997 - Minutes

Present: Edwin Perkins, Chairman, Robert Brophy, Peter
Perrigo, Thomas Prentiss

Meeting called to order at 7: 40 p.m.

A request for a Certificate of Compliance for the property of Stewart Doody, 138 Western Avenue, D.E.P. File Number 21-139, was submitted to the Board. The Notice of Intent had been filed for the construction of a garage with grading. Perrigo reviewed the site and felt the project was in order.

Perrigo moved to issue a Certificate of Compliance to Stewart Doody, 138 Western Avenue, certifying that work regulated by Order of Conditions, D.E.P. File Number 21-139, has been satisfactorily completed, seconded by Prentiss, with the Board voting unanimously in favor.

The Board reviewed the plan for John Kotch and Vincent DeMore for drainage for a driveway to properties on Belcher Street, to determine whether the work that has been done compares to that shown on the plan.

Lot 4, Apple Street - Perkins said he viewed the site and found two drainage ditches across the street from the proposed project, and, therefore, told the applicant to have a botanist determine whether they were significant under the Wetlands Protection Act. Perkins felt he could not make the determination from the vegetation that was there.

Perrigo moved to accept the Minutes of the meetings of November 4, 1997, and November 18, 1997, seconded Prentiss, with the Board voting unanimously in favor.

Brophy told the Board that the Open Space Committee would like a member of the Commission to visit Centennial Grove with them, as they would like to creat some footpaths in the area. They will be meeting on Monday, December 8, 1997, at 8:00 a.m. Perrigo said he would try to attend.

Brophy moved to adjourn the meeting, seconded by Prentiss, with the Board voting unanimously in favor. Meeting adjourned at 8:15 p.m.
