Appointments:

Scott Pulver met with the Commission to discuss a fire pond he and an abutter would like to place on the property between **58 Choate Street** and the abutters property. The Commission advised that this was not in their area of knowledge, but suggested contacting the local fire department and the DEP. Mr. Pulver advised that he has spoken with the Fire Chief and been advised to speak with the Commission. The Commission again suggested that Mr. Pulver do further research with the DEP, but that a Notice of Intent would have to be filed for any work done in the area which he had suggested.

The Commission reviewed and approved the payroll and expense reports as submitted by the Clerk.

A motion to close the meeting was made by J. Rynkowski, seconded by S. Gersh and passed by unanimous consent.
