Members Present: Richard Ross, Ken Riehl, David Gabor, Mark McKenna, Justin Bourgette and Jeff Soulard

1. Attend Board of Selectmen Meeting

The Committee discussed the FY16 Budget with the Board of Selectmen. After much discussion, it was agreed that the Committee would look at postponing capital and special warrant articles to balance the budget and avoid a Proposition 2 ½ Override.

The Board of Selectmen and the Finance Committee also agree to fund the Town Hall repair project using funds from the Conomo Point Sale of Real Estate Fund rather than taking on additional debt.
