- M. Dyer - pd people in town. get sense of town. Draft a set of suggestions for Selectmen. Goals, objectives, strategies
- B. Caviello - review ^{2004 Document} Comm Devmt Plan + bring forward it

A. St. John - Find an exercise that allows us to have an outline & which to work on something for us to do together so we can see how each other works

E. Howard - 2nd Motion - encourage selectman to create a local historic district committee

M. Dyer - frustrated in our progress to date. We have failed to plan a comm. mtg. No minutes. He has given minutes of past mtg to Kay Randall. We need some help + focus. Selectman charge is looking for specific actions.

A. St. John - MARC (sponsored Comm Dev Plan) has people trained to get info. Should we "hire" them to do a workshop to help us ^{come up with} a sketch of a plan, to coalesce our energy as a group.
