Tourism Commission Talk

Tourism chair talked about their meeting and what they would like to do. Presented by Ellie Sylvaria chair of Tourism. Talked about cutting their budget by putting the Tourism office in the academy building. Talked about the selectmen's letter to cut five percent off the budget. The best way would be using a town owned building and not sending out flow of traffic into the town is still

over the bridge and main street. Also the academy Building is a better location for the office. Also it would open the Building for a few hours a week for people to see inside. There is also off street parking

Chris Richard talked about some points that it would be a better location.

Mike Silvia said it would be better to stay in the center of town. Also that the letter was sent out but he doesn't know what or when we needed to do the cuts.

David Despres thought it would be a good idea to hold another meeting so we could have all parties talk about concerns they may have. Meeting set for Wed Dec 10th 7:00 pm at the academy Building.
