The herein conveyed 10' Wide Trail Easement is conveyed subject to and with the benefit of the following covenants and agreements:

(a) The Trust will clearly mark the 10' Wide Trail at the borders with signs, blazing of trees or otherwise for clear identification by the public.

(b) Use of the 10' Wide Trail by the public shall be subject to the following restrictions: (i) the trail shall be used for pedestrian travel only, including without limitation non-motorized bicycles, and no motorized vehicles will be permitted thereon; (ii) pedestrians and bicyclists must stay within the limits of the 10' Wide Trail; (iii) parking for the 10' Wide Trail and Pleasant Hill Woods is not permitted within the easement area; (iv) only leashed dogs or dogs obedient by voice command shall be permitted on the 10' Wide Trail; (v) public use of the 10' Wide Trail is limited to daylight hours; and (vi) no fires shall be permitted on the 10' Wide Trail. Daniels, her heirs and assigns, hereby agree to indemnify and hold the Trust and the Town, their officers, employees, agents, successors and assigns, harmless from and against any and all liability, damage, penalties, actions, suits, claims or judgments arising from the injury to or death of any person, or property damage sustained by anyone (including the cost of defending against any such claims or enforcing this indemnity, and including reasonable attorneys' fees), arising directly or indirectly out of or in connection with any dogs or other household pets of Daniels, her heirs, assigns, guests or invitees, entering onto the 10' Wide Trail Easement. (e) The Trust, its successors and assigns, shall have the right, at its sole cost and expense, to cut and remove all trees, undergrowth and other obstructions within the 10' Wide Trail Easement area to the extent that the Trust deems necessary to create and maintain the 10' Wide Trail Easement.

(f) In the event the Trust is provided with a replacement easement over land northerly of the Trust's land and in the vicinity of the Daniels Parcel, which replacement easement in the Trust's sole and exclusive determination provides adequate alternative access from the north to the land the Trust owns southerly of the Daniels Parcel, the Trust will consider releasing the Daniels Parcel from the 10' Wide Trail Easement, provided that the Town agrees to release the 10' Wide Trail Easement from the Conservation Easement.

(g) Nothing contained in this Section 3 shall be deemed (i) to give Daniels, her heirs and assigns, the right to terminate or otherwise restrict the use or scope of the herein conveyed 10' Wide Trail Easement, or (ii) to allow Daniels, her heirs and assigns, the right to cease complying with the terms and covenants of this Indenture applicable to her.
