Re: Request for additions to the Code of Ordinances

I am requesting that the Town Council approve the following additions to the Town's Code of Ordinances.

Add to Chapter 17, Traffic and Motor Vehicles, section 17-92, sub section D;

Squidere Lane – no parking on the east side of the road from the intersection of Depot Road to the Blackstone cul-de-sac.

This request is being made in response to the parking that occurs on both sides of Squidere Lane during little league season. This is a narrow road and with vehicles parked on both sides of the road it severely restricts emergency vehicle access to Blackstone housing complex.

Add to Chapter 17, Traffic and Motor Vehicles, section 17-92, sub section D;

Andrews Avenue – no parking, tow away zone, May 1st until September 30th from 6 am to 6 pm.

It appears that this restriction was never adopted by the Town Council when the signs were erected in 2006. I am asking that this oversight be corrected. This restriction was imposed after being requested by the residents of Andrews Ave. People began parking on both sides of the street when Mackworth Island restricted parking on the island. This also was a safety hazard for emergency vehicles accessing the area when both sides of the road were parked on.

Thank you for your time and I look forward to discussing this with the Ordinance Committee.
