Dear Nathan:

I am pleased to introduce, in accordance with Article II, Section 213 of the Town Charter, language relative to a proposed amendment to the Code of Ordinances to replace the existing language in Chapter 4, Article III, Section 4-77 "Outdoor Wood Boilers" with new language. The purpose of this amendment is to permit the operation of outdoor wood boilers in town with certain standards.

The attached language is intended to replace the existing wording of Section 4-77 of the Code of Ordinances in its entirety.

I hereby ask that you place this item on the next available agenda for a public hearing and that you properly post notices and advertise for a public hearing as required by the Charter.

Sincerely yours,

Dave Libby
