Dear Nathan:

I am pleased to introduce, in accordance with Article II, Section 213 of the Town Charter, language relative to proposed amendments to the Zoning and Site Plan Review Ordinance and the Subdivision Ordinance. The purpose of these amendments is to bring our land-use ordinances into compliance with the requirements of our NPDES Stormwater Discharge Permit.

The Zoning Ordinance will be amended by the adding a new section 5.39A, Post-Construction Stormwater Management. The Subdivision Ordinance, Appendix 7, (B) will be amended with additional language.

The complete amendment language is attached to this letter.

I hereby ask that you place this item on the next available agenda for a public hearing and that you properly post notices and advertise for a public hearing as required by the Charter.

Sincerely yours,

Tony Payne
