WELCOME

In an attempt to better communicate with the residents of Falmouth, the Town Council is issuing the first of what I hope will be a monthly E-Newsletter to the residents of Falmouth.

We hope you find this communication informative and useful.

Update:

Budget: The Council Finance Committee and School Board have begun reviewing the draft Budget for Fiscal Year 2010. It is anticipated that the Council will be voting on the budget at the April ?? Meeting.

BVR: As part of that discussion, the Council will need to vote on the BVR (Budget Validation Referendum) question required under State Law.

Community Facilities Hearing: Please don't forget the upcoming Community Facilities Hearing scheduled for Thursday, 3/12 @ 6:30 PM in Plumber-Motz. This event is intended for the public to provide input into the reuse or development of the Lunt/Plumber-Motz School complex. Please try to attend this important Public Hearing.

Finally, a question was raised during our last meeting regarding the availability of the consultants report on the Harbor/Waterfront. The Report and Presentation can be found by clicking on the following hyperlinks:
