October 19, 2009

Ms. Ellen Planer  
Town Clerk  
Falmouth Town Hall  
271 Falmouth Road  
Falmouth, ME 04105

Dear Ellen:

I am pleased to introduce, in accordance with Article II, Section 213 of the Town Charter, language relative to a proposed amendment to various sections of the Code of Ordinances, Part II, Chapter 9, Article IV, Coastal Waters.

The purpose of this amendment is to remove all references to fees and fines and create a new Falmouth Harbors Fee Schedule. This will enable to the Council to approve future changes to the fees without going through the full ordinance amendment process. Other schedules that have been developed include a Building and Zoning Schedule and a Planning Schedule.

I hereby ask that you place this item on the next available agenda for a public hearing and that you properly post notices and advertise for a public hearing as required by the Charter.

Sincerely yours,

*Fred Chase*
