

Appendix 4

Excerpt from Falmouth Town Council Work Plan Fiscal Year 2009-10

Theme: Build, maintain and lead an organization that serves the diverse needs of our present and future generations.

- **Criteria for Evaluating:** Clarity, Efficiency (focus on high impact - high risk), Resolution (we know what is next when there will be closure)
- **Work planning avoids:** Ill-preparedness, midnight madness and groggy decision-making, lots of unfinished business without a way to manage in interim

Category/Task	Who	Other Input	Status	Due Date
Start the Comprehensive Planning process. First priorities should include: compact development (growth areas); TDR (non-growth areas); overall visions; specific vision areas such as Rt. 100; transportation planning; and economic development. (Possible implementation of ordinances and policies regarding these priorities prior to Comprehensive Plan adoption)	LPAC and LPAC +	Planning Staff		2009
