A. Motion to Adjourn: Any Councilor may call for an adjournment – even during debate – as long as a time for the next meeting has already been established. Business left unfinished at the end of the meeting becomes the first order of business at the next meeting. This motion cannot be debated, amended, or reconsidered.

B. Motion for Reconsideration: When a vote is passed, on any matter or motion, it shall be in order for any Councilor who voted in the majority, or in the negative on a tie vote, to move a reconsideration thereof at the same, or the next stated meeting, but not afterwards. This motion is subject to debate if the motion proposed to be reconsidered is also subject to debate; when a motion of reconsideration is decided, that vote shall not be reconsidered.

(Added 10/28/91)

Policies of the Falmouth Town Council

Pursuant to Section 28 of the Council Rules, the Falmouth Town Council hereby directs the Town Manager to memorialize the following policies of the Falmouth Town Council:

Policy One: Use of Electronic Mail (E-mail)

A. Three or more Councilors or three or more members of any Volunteer Board or Committee shall avoid the use of e-mail for deliberation, discussion, or for voting on matters properly confined to public meetings; email should be used for non-substantive matters such as scheduling meetings, dissemination of information and reports, and developing agendas for future meetings.

B. In the event this policy is not followed, or if there is a question whether substantive matters properly confined to public meetings were discussed or deliberated on via e-mail by three or more members of any Town body, those e-mails in question should be printed and disclosed to the public at the next public meeting of the Town body.

C. Under Maine's Freedom of Access ("Right to Know") law, all e-mail and e-mail attachments received or prepared for use in matters concerning Town business or containing information relating to Town business are likely to be regarded as public records which may be inspected by any person upon request, unless otherwise made confidential by law.

D. The Town Council Chair shall acknowledge email messages that come to all Council members at once. While the Chair is not empowered to discuss substantive matters on behalf of the Council in these acknowledgements, he or she may supply pertinent information regarding how the Council will proceed with the issue, if applicable (for example, upcoming public hearings, information available through the Town of Falmouth website, and so on). The Chair and individual Councilors remain free to reply to such messages as individuals, but shall refrain from engaging more than one other Councilor in the electronic discussion.

Policy Two: Appointments Procedure.

1. Prior to recommending an applicant for service on any volunteer board or committee, the Chair of the Appointments & Personnel Committee shall contact the Chair of the volunteer board or committee to discuss the appointment or reappointment of the applicant. The Chair of the board or committee in question should be invited to attend the interview of the applicant.
2. Prior to recommending an applicant for service on any volunteer board or committee, the Town Council's Appointments & Personnel Committee shall interview the applicant, unless that applicant is currently serving on the committee.
3. The names of the applicants to be considered by the Appointments & Personnel Committee shall be included on its meeting agenda, and posted to the Town's website, in a timely manner, prior to the proposed meeting.
4. The meeting agenda, the applications to be considered, and any other supporting documents shall be sent to Appointments & Personnel Committee members, in a timely manner, prior to the proposed meeting.
5. Applicants are encouraged to attend a meeting of the committee to which they wish to be appointed.

Policy Three: Volunteer Board and Committee Reporting and Organization.

The volunteer boards or committees of the Town should prepare an annual work plan, and present that plan to the Town Council for approval. Any budget requests should be included in this work plan. Volunteer board or committees should also prepare an annual report on their work during the prior year. Meeting agendas should be posted to the Town web site in a timely manner prior to a proposed meeting. Meeting minutes are encouraged to be taken and posted to the Town website.

Policy Four: Ordinance Procedure.

Initiatives to amend or enact a Town ordinance, prior to their referral to a committee or an administrative official for development and drafting, shall be placed on a Council agenda for provisional approval. If the ordinance initiative obtains the provisional approval of a majority of Councilors, it may then be referred to the appropriate committee or administrative official for further development and drafting. This policy does not limit the right of any Councilor under Section 209 of the Town Charter, to place an item on any agenda of the Council. The procedure for formal introduction of a proposed ordinance is further governed by Section 213 of the Town Charter.

Policy Five: Council Norms on Contacting Staff.

Councilor inquiries concerning routine Town business should first be with the Town Manager. Direct inquiries by Councilors, on such matters, to department heads, should be avoided. Councilor contact with staff is formally governed by section 218 of the Town Charter.
