

The Recreational Trails Program is administered by the Maine Department of Conservation. We received a previous grant from this source in 2008 to support the cost of trails on the River Point Conservation Area, including the bridge over the West Branch of the Piscataqua River.

The Grant period is 1 Apr 11 to 31 Oct 13.

### COST SHARE SUMMARY

	Grant Amount	Applicant Cash	Applicant In-kind	Total Cost
Design/Engineering	\$400	\$0	\$0	\$400
