Memorandum

Date: June 20, 2011
To: Town Council
From: Amanda L. Stearns, Community Development Director
Cc: Nathan A. Poore, Town Manager
Re: Amendment for Conservation Lots

The Council packet for tonight includes the language for the amendment regarding the creation of conservation lots. Bill Plouffe, Town Attorney, has reviewed the amendment and his suggestions are incorporated into the draft.

Bill also commented on the wording of the first section of 5.31.1 that the Council passed in March. I have included his recommended changes as part of this amendment as it is a rewording and does not change the substance of the original language.

I will be available at the hearing to discuss the amendments as well as the changes.
