The proposed *Ordinance to Restrict the Place of Residence of Convicted Sex Offenders* is in response to legislation passed on September 12, 2009 that places a limitation on the distance from a school, daycare, etc. that a town can use to restrict a convicted sex offender (a person convicted of a Class A, B, C, sex offenses committed against a person under the age of 14) from living.

Prior to September 12, 2009 many town were establishing unrealistic distances that prohibited where a sex offender could live in relation to a school, daycare, etc. This legislation was enacted to set a maximum limit (750') that a town could impose.

The State law (Title 30-A, section 3014 – copy attached) states that a town must have an ordinance in place to enforce this legislation. It also states that we “may not restrict the residence of a person who lived in an area restricted pursuant to paragraph B prior to the adoption or amendment of the ordinance.”

In other words we need this ordinance in place to prevent convicted sex offenders from moving into these areas. The ordinance that we are requesting is the enforcement mechanism that we need to manage the areas around the schools.

Currently the town does not have an ordinance in place related to sex offenders.
