FALMOUTH MEMORIAL LIBRARY STORAGE and BOOK SALE

The Falmouth Memorial Library has contacted FCP to inquire about the possibility of storing a large quantity of books at the site and the possibility of holding their annual book sale in that storage area. There are several library bookshelves available for this use on-site and we have confirmed with Ocean View that until closing, the books could be stored in the Plummer building and then could easily be moved on the rolling shelves down to the Motz wing.

2/13/2012	FCP REPORT - Plummer/Motz	Coordinated By	Date Completed	Status	MMA Code	Est. Cost
Must Do Action Items (MMA and Code)
