Re: **Public Hearing** on an amendment to the Zoning and Site Plan Review Ordinance to create a Water View Overlay District with provisions regarding the preservation of water views.

Public Comment:

There was no public comment received at the meeting.

Planning Board Comment & Recommendation:

Becca Casey did not think that the amendment as written met the goals outlined in the staff memo from Amanda Stearns. She was glad that the matter was being referred back to the CDC for additional review and re-wording. Bernie Pender and Bill Lunt agreed.

Becca Casey moved that the proposed ordinance language not be adopted until it has been further reviewed. Kermit Stanley seconded. Motion carried 4-0.
