Falmouth Town Council,

I am applying for a food truck permit for the Town of Falmouth. My business name is Cafe Crepe. I am currently licensed with the State of Maine and the City of Portland. I sell made-to-order sweet and savory crepes out of a mobile food trailer. This trailer will never be parked anywhere overnight. I will bring it with me for the proposed times and take it with me when I close each day.

I hope to be set up at the summer farmers market in the Wal-Mart parking lot on Wednesday's from 12-4 beginning May 7 and running until October 29.

I have been asked by Falmouth Antiques and Furniture to be there Fridays from 11-2 ASAP. I am not sure that it will fit into my schedule but thought I should mention it.

Thank you for your consideration.

Sincerely,

Lauren Dallam
