ECONOMIC DEVELOPMENT COMMITTEE  
Tuesday, July 12, 2011  
356 Main Street, Farmington, NH**

**Members Present:** Ann Titus, Sharon McKenney and Kathy King

**Members Absent:** Tracy Major, Gail Ellis and Theresa Mills

**Selectmen's Representative:** Jim Horgan

**At 6:35pm Chairman Jim Horgan called the meeting to order.**

1. We discussed Adopt-a-Spot. It is now handled by Brian Keith, an employee of the town. There is a change in Brian's supervision, as he will now be supervised by the DPW director. Jim discussed with us if we should think about taking over the Adopt-a-Spot Program. We could get businesses to adopt-a-spot and put up their own advertisements. Steve Hogan Lawn Care wants to adopt two different spots and use a sign from his business. Jim wanted the FEDC opinion prior to going to the BOS with this suggestion. *Ann Titus motioned to accept the Adopt-a-Spot program as a FEDC program, 2<sup>nd</sup> Kathy King. Motion carried with all in favor.*

2. Discussed Community Block grants and the letter to existing businesses.

3. The rest of the meeting was spent going through old and past files of correspondence from the EDC. We found some useful items and correspondences to keep for further viewing and future meetings for discussions.

*At 7:35pm, Ann Titus motioned to adjourn, 2<sup>nd</sup> Kathy King. Motion carried with all in favor.*
