Jim discussed with us if we should think about taking over the Adopt a Spot Program. We could get businesses to adopt a spot and put up their own advertisements.. Steve Hogan Lawn Care wants to adopt two different spots and use a sign from his business. Jim wanted our opinions prior to going to the BOS to suggest this request.

Ann Titus motioned to accept Adopt a Spot Program Kathy King second it..

Discussed Community Block Grants, Letter to existing businesses.

The rest of our meeting time was going through old and past files of correspondences from the EDC. We found some useful items, correspondences, to keep for further viewing and future meetings for discussions.
