Description of matters discussed and final decisions made: The Board discussed two overdue dog licenses. The first was from a resident on disability who is requesting two additional days to make her full payment (license fee and late charge), The Board agreed to grant her request. The second was from a resident whose dog is very ill and too sick to receive a rabies shot, making it so that it cannot be registered. The Board agreed that if the owner presented a letter from a veterinarian confirming the owner's account, they will not move forward with the forfeiture process at this time. Mike will discuss both of these with the Town Clerk / Tax Collector.
