

Fracestown, NH
Heritage Commission Meeting Minutes DRAFT
September 30, 2017

Attendees Members: Michele Ferencsik, BJ Carbee

Alternate: Elly Miles

Excused: Ruth Behrsing, Barbara Caskie, Lisa Stewart

Absent: Brad Howell

Special meeting called to order at 9:16 AM.

Minutes of 9/23/17 minutes were accepted, with no changes.

The Treasurer's report was waived.

Special meeting called due to changes this past week in the design of the Town Hall donation plaque. After consultation with the Board of Selectmen, most monetary categories have been eliminated. Donations for the windows will be listed by location. With further proof-reading the plaque wording will be sent later this week by Town Administrator Jamie Pike to the fabricator, and will be ready for the dedication ceremony of November 3, 2017.

Attending members voted to release \$200,000 in Heritage Commission funds for the Town Hall Rehabilitation project.

The Heritage Commission voted to accept the generous anonymous donation of champagne for our dedication ceremony.

The next meeting of the Heritage Commission will be Saturday, October 14, 2017 at 9 AM.

The meeting closed at 9:40 AM.

Respectfully submitted,

BJ Carbee, acting minutes clerk

1. Introduction
2. Literature Review
3. Methodology
4. Results
5. Discussion
6. Conclusion

The first part of the paper discusses the theoretical background of the study. It reviews the existing literature on the topic and identifies the research gap that this study aims to fill. The second part describes the methodology used in the study, including the data sources and the statistical techniques employed.

The results of the study are presented in the third part. The findings show that there is a significant positive relationship between the variables studied. The fourth part discusses the implications of these findings and compares them with the previous research.

The study concludes that the theoretical framework proposed is supported by the empirical evidence. The findings have important implications for both theory and practice. The study also identifies some limitations and suggests directions for future research.

The paper is organized as follows. Section 2 provides a comprehensive review of the literature. Section 3 details the research design and data collection process. Section 4 presents the descriptive statistics and the results of the regression analysis.

Section 5 discusses the economic significance of the findings and their policy implications. Section 6 concludes the paper and offers suggestions for further research.

The author would like to thank the following individuals for their helpful comments and suggestions:

Dr. John Doe, Department of Economics, University of ABC
