We began going over the budget. There are many questions we need to ask in order to understand the process. Becky is to speak with Tom & Sherry. Invite them to our June 9th meeting. If they are unable to attend the commission will ask to be put on the Selectmen's agenda.

Facilities follow ups:

Mike made his presentation of the recycling building, providing blueprints. It was reviewed and some changes were made. He will be returning June 9th with the final report.

Talkin' Trash:

Was mailed and received by the residents. Cost was \$99.18 to PO and \$110 to printer.

Burn Pile..... appears to be under control. Scott asked how many hours were being spent on burning. Becky indicated she requested that info and hadn't received it yet.

2009 Hazardous Waste Bid:

Becky will contact the DES & Bonnie at NRRRA for a current listing of the Hazardous Waste Haulers for our Household HW Day. We need to get the bid out. It needs to go into the paper. Becky will use last years bid letter with this years date and get it to Tom with the top 5 haulers letters to bid. The date has been set for September 19, 2009.

Scott indicated metal is making a comeback in price. Becky to email Bonnie and find out.

We are allowed 60 points for signage every year. We have until Oct 1 to decide what we would like. November 1 we get another 60 points. We cannot save points. It's a use it or lose it situation. We have plenty of time to decide.

Next meeting is June 9th, 7pm at the Town Offices Meeting Room

Paul motions to adjourn the meeting, Scott seconds, all in favor.

Meeting adjourned at 8:15pm

Respectfully submitted,
