

**CAPITAL IMPROVEMENT COMMITTEE
MINUTES OF MEETING
APRIL 4, 2012**

Meeting was called to order at 6:15 p.m.

Members present: Judith Pfeffer, Matt Kelly and Glenn Jones.

Also present: Town Administrator Jeffrey Nutting, Fire Chief Gary McCarraher

The Committee requested further clarification on the need for a new fire engine. The Chief explained the miles, maintenance issues and overall game plan to replace fire trucks. The Committee wanted to know why the fire engine responded to ambulance calls. The Fire Chief explained that the reason was that about 40% of the time, they get multiple calls and the engine leaves the scene to respond to the next event.

The Committee discussed a potential game plan for funding future fire engines. The Town Administrator stated he would investigate the matter with the Comptroller and the Fire Chief.

The meeting was adjourned at 6:40 pm.

Respectfully submitted,

Jeffrey D. Nutting
