

**CAPITAL IMPROVEMENT COMMITTEE
MINUTES OF MEETING
March 19, 2014**

Members present: Councilors Pfeffer, Vallee, Kelly and Williams.

Also present: Town Administrator Jeffrey Nutting and Finance Committee member George Conley.

The Meeting was called to order at 6:00 pm

The Town Administrator suggested the Committee review the list of requests to determine which ones there was a consensus on, and which ones need more discussion or information.

The Committee reached consensus of the attached list pending further review and available funds once the winter was over, a decision on Library and final review. The total currently exceeds available funds, but that is expected to change once winter is over and some reserves can be released.

The meeting adjourned at 6:55 pm

Respectfully submitted by
Jeffrey D. Nutting, Town Administrator
