

- FHS Student Representatives: Maegan noted that student government elections will be held on Friday. On Thursday evening, the Theatre Department will perform Hollywood Nights. Lastly, she noted the upcoming Freshman banquet and Junior Prom. Thomas updated the Committee on spring sports as well as noting that May 1st is the deadline for seniors to make their decision on which college they will attend.
- Correspondence: The Budget to Actual was noted.

2. Guests/Presentations:

- a. JF Kennedy Update: Mrs. Toye and Ms. Richards updated the Committee on writing instruction at the school. The writing process involves prewriting, drafting, revising, editing and publishing. Students are taught three genres of writing: opinion, informative and narrative. Students from each grade level shared with the Committee samples of their writing.
- b. Oak Street Update: Mrs. Minkle and Ms. Gerber discussed with the Committee the process by which they came up with the schools core values. Students then unveiled the new values.

A five-minute recess was taken.

- c. FHS Parking: Mr. Light and Mr. Schmidt as well as two students discussed with the Committee the parking plan for the new high school. When the project is fully complete, there will be 618 parking spaces: 213 for staff and 405 for students. However, this fall, there will only be 285 spaces for students. Students and faculty came up with the idea of holding a lottery for those spots – with priority given to seniors. Those who acquire a spot will be given an assigned spot. Violators will be towed at their expense. Students put together a video that explains this process. The video will be available for both students and parents to watch on ItsLearning. Mrs. Sabolinski noted that they will look into using satellite lots with shuttle buses if there is a need. It was also noted that engineers and the police will take another look at the traffic patterns before the opening of the school.
