

TOWN COUNCIL SPECIAL MEETING  
AT DEAN COLLEGE  
APRIL 12, 2012  
MINUTES

**The meeting was called to order at 5:35 pm.**

**Members present:** Andy Bissanti, Robert Dellorco, Glenn Jones, Matt Kelly, Thomas Mercer, Judy Pfeffer, Jeffrey Roy and Robert Vallee.

**Also in attendance:** (see list attached)

The intent of the meeting was to get a better understanding of what Dean College does for the community and what services, if any, do they, and can they provide to Franklin citizens, employees and students.

Dr. Paula Rooney gave an overview of Dean College, including its history, mission and status.

She explained in detail what they do provide to the community.

School Superintendent Maureen Sabolinski asked if they could help track Franklin's students and they suggested that they would look into the matter. Councilor Jeff Roy asked how students could find out about the free classes and subsequently the process was explained. One of the issues is that Dean College has limited space for students.

It was all agreed that the School Department and Dean College would touch base on working closer together regarding high school students wishing to take classes.

Councilor Vallee asked if Dean College could make a presentation to the Town Council in the fall and they agreed.

The meeting adjourned at 6:45
