

**TOWN OF FRANKLIN  
FRANKLIN BOARD OF HEALTH  
June 3, 2011**

**Present at meeting:**

Bruce J. Hunchard, Chairman  
Paul J. Cheli, Vice-Chairman  
Donald G. Ranieri, Jr., Clerk

David McKearney, RS, Health Director  
Virginia McNeil, Health Agent

**Visitors present:**

Rich Aucoin

The Board Chairman welcomed all present to the meeting.

A motion was made by Mr. Cheli to accept the May 6, 2011 meeting minutes. The minutes were unanimously accepted as written.

**OLD BUSINESS**

In old business, Mr. Aucoin wanted to further discuss fluoride in the town drinking water. Since the item was tabled at the last Board of Health meeting, a motion by the Board would be needed to discuss it. Mr. Cheli feels the fluoride should remain until the State or Federal government makes a policy to remove it.

**NEW BUSINESS**

The chairman opened the floor to new business. The first item on the agenda was a limited site plan modification for Chipotle Mexican Grill located at 250 Franklin Village Drive. The Board of Health voted to approve the site plan as submitted subject to municipal water and sewer connection, a proper dumpster location and full compliance with Chapter X of the State Food Code.

Next on the agenda was a site plan application for Hamilton Storage Technologies located at 3 Forge Parkway. The Board of Health voted to approve the site plan as submitted subject to municipal water and sewer connection and proper dumpster location.

A modified 2007 special permit, a modified 2007 site plan and a modified 2011 special permit for Summer Place located at 47 Summer Street was the next item reviewed. The Board of Health voted to approve the site plan as submitted subject to municipal water and sewer connection, proper location of a sanitary dumpster and full compliance with Chapter II of the State Sanitary Code.

Next was a letter from Guerriere & Halnon, Inc. requesting the Board of Health to approve a potential third dumpster location for the Chestnut Street Senior Village. Mr. Ranieri recused himself. The Board voted to approve the request as submitted subject to

municipal water and sewer connection, proper dumpster location and full compliance with Chapter II of the State Sanitary Code.

Lastly was the request for the signature of the Board of Health Chairman of the Municipal Roadway Vegetation Management Plan. The Board Chairman signed the plan as written.

The last item on the agenda was the Health Director's Monthly Report for May 2011. The Health Director discussed the monthly activities of the Health Department.

The Chairman opened the floor for any other new business. The Health Director stated that the septic plan review has been very time consuming because he typically has to send the plans back to the engineer two or three times. At the present time there is no charge for a septic plan revision. The Board agreed to review the Health Department fee schedule at a future date.

Motion to adjourn was unanimous. The next Board of Health meeting will be on Friday, June 3, 2011.

Transcribed by Virginia McNeil, Health Agent for the Franklin Health Department.
