The Board Chairman requested that it be discussed under Old Business at a later date.

NEW BUSINESS

The Chairman opened the floor to new business. The first item on the agenda was a scenic road application submitted by Innovative Engineering Solutions regarding Upper Union Street. The Board Chairman said that no comment was needed by the Board of Health.

Next on the agenda was the NSTAR five year vegetation management plan for 2013-2017 and NSTAR'S yearly operational plan for 2013. Since it was informational only, no comment was required by the Board.
