Del received a phone call from Margaret Simpson at Glen Meadow. She is requesting old photos of carnivals, races and July Fourth bonfires that were held in the past at the Glen Meadows location. They would like to reproduce them for display in their office. Del found a bon fire picture. She is willing to help the Commission to sort old photos and other historic items for the museum.

The Inspection Dept asked Del to pick up a letter addressed to Carol Harper. It is from Stephan Forrest Historian for EBI Consulting.
